STORM BRINGS FLOODS, WRECKAGE TO DC AREA

(More Storm Pictures on Page 7)

Local residents fled for shelter for the second time this week when rain and winds broke again Wednesday night after a two-day seige on Sunday and Monday. Most serious outbreak of the newest storm appeared to be flooded conditions on city streets.

Broadmoor homeowners on 89th street looked out of their windows Wednesday night to see the street and their front yards flooded with water two feet deep. County engineers cleared a plugged drain, and the condition was cleared in about three hours, according to Broadmoor Police Chief Ray Savage.

Also suffering extreme flood conditions in Broadmoor was the 600 block of Larchmont.

Portions of the Coast, Skyline and Junipero Serra highways were all blocked because of the high incidence of rain.

Traffic was blocked on Hillside boulevard near Mt. Olivet cemetery when a tree, knocking down power lines in its path, fell across the road this Thursday morning.

Daly City police department reported flood conditions at First and Valley, Market and Mission, Sullivan at the rear of the Serra theater, and Southgate between Lynnewood and Park Plaza.

Early Storm

Wind and rain storm which struck here Sunday and Monday is reported to have left losses amounting to thousands of dollars. Worst damage apparently occurred at Westlake school where portions of the roof were lifted off the building by high-speed winds.

H. Z. Weibel, superintendent of the Jefferson Elementary school district, said today that it has been estimated that the entire roof at Westlake school will have to be replaced. Water-resistant plywood is being used temporarily, and the superintendent stated that he "thinks" the repairs will be completed before the opening of school on January 3.

No Cost Estimate

Weibel declined to give an estimation of damage cost at the present time. He declared, however, that total figure will include water

(Continued on Page 7)

LETHAL WEAPON — The storm that struck this area Sunday and Monday hurled bits of everything through the air. One of the missiles was a cypress branch three inches in diameter and about six feet long, which speared through the window of local motel owner Hugh Smith Jr. Monday as he was driving on El Camino Real in Colma. The branch penetrated more than a foot into the vehicle, and had its course been some 30 inches to the right, could have killed or inflicted severe injuries on the driver. As it was, Smith escaped without a scratch.

THE RECORD photo

Westlake Site For Library Still Uncertain

City council and Daly City library commission took at least a faltering step towards realization of a Westlake library branch after a three-hour session Monday night.

Debate of proposed withdrawal from the county library program marked the long discussion, with the commission holding out for remaining with the county and City Manager Howard Stites adamantly for Daly City's "secession" from the county.

Mayor Joseph Verducci called for "something less pretentious" than the proposed $75,000 branch which would be located at Park Plaza and Fairway drives, and asked Stites to give the city a proposal in writing next Tuesday on the cost of purchasing the site and the issue of remaining or withdrawing from the county.

Verducci said the council would take formal action on both topics at that time.

Some Observations

Out of the marathon session, the following observations were made:

(Continued on Page 2)

JURY TRANSCRIPT ON STALLINGS IS READY FOR BOARD

The official transcript of sessions in which the San Mateo county grand jury voted to censure County Manager Robert Stallings have been completed, but will not be turned over to board of supervisors until after Christmas, the jury disclosed this week.

The jurors had recommended that the supervisors censure Stallings, and even proceed to the extent of firing him for practices of awarding contracts over $2000 without competitive bidding and purchasing supplies without proper requisitions.

At request of supervisor Thomas Callan Sr. of Colma, the board withheld action until the members can review the transcript.

Stallings claims his actions were taken as an expediency to complete important projects and that his methods saved the taxpayers money.

All of the supervisors but Callan say they will back the manager.

By MONTE DAYTON

Repeat performance: This isn't a birth column, but last week we told of how an elementary school trustee's wife had brought two new prospective students into the world.

Not to be outdone, the Jefferson High school district can boast another future pupil.

She is VALERIE FONTANA, born to the wife of high school trustee ELIO FONTANA on Saturday at Franklin hospital, and checking in on the scales at 7 lbs., 7 oz.

At the rate it's going, the trustees alone will create a need for another new school.

FRANK MICHELETTI, superintendent of the Westlake branch post office, was one of three postmen to pass the examination for San Bruno postmaster.

The decision now rests with Cong. ARTHUR YOUNGER.

Micheletti is the only one of the candidates who is an active postal worker, but this may give him an advantage, since Younger set precedent by naming a man who worked up through the rank and file, VINCE MURPHY, as DC postmaster.

Shades of the Better Government League: A confidential informant says a recall movement against the three city councilmen elected two years ago will be started in January.

"We'll take care of the other

(Continued on Page 2)

Garbagemen Now Seek To Purchase Coast Dump

"Either you get busy and buy the dump site or I will," was the angered ultimatum given to the city council Monday night by Al Sereni, president of Daly City Scavenger Co.

Sereni, who says his firm is faced with eviction any day from their present dump site, took part in a heated session which included as principals the city council, City Manager Howard Stites, and Realtor Ricco Lagomarsino, who represents John MacReady, owner of the controversial 74-acres of land along the coastline planned for a municipal fill and cover garbage disposal site.

Earlier the Scavengers had agreed to municipal ownership of the dump, but Sereni said Monday that time was running out on his firm, which is now burning garbage on privately-owned land.

The City has attempted to buy MacReady's land for $22,000, but MacReady, through his agent Lagomarsino, is holding out for $58,000. The council has considered starting condemnation proceedings to acquire the land.

"He Wants $58,000"

Lagomarsino, in answer to an earlier request by the council that a second apraisal be made of the land, said, "MacReady doesn't want any part of it. He wants $58,000 and he's very definite about it."

Apparently the Scavenger Co. has made MacReady an offer more in line with his asking price, and Lagomarsino argued bitterly Monday that the city "has no business buying the site. Let the garbage people run their own business."

Stites and the council maintained that only through municipal ownership of the dump could its sanitary and efficient operation be assured.

Sereni claimed that if his company owned the dump, the city could maintain tight control over

Boys' Christmas Spirit Takes Destructive Turn

Two Broadmoor boys lacking in the proper Christmas spirit had their parents to account to Wednesday.

The youngsters, one an elementary and one a high school student, were apprehended by Broadmoor police juvenile officer Merrill Baxley Wednesday morning after a spree the night before in which

(Continued on Page 2)

HEARING ON GAS STATION HELD OVER 2nd TIME

Hearing on abandonment of easement on Hillside boulevard to make way for a gas station was continued for the second time Tuesday by the county board of supervisors.

The controversial issue, which is opposed by 335 residents of southeastern Daly City, was set over to January 24 at request of attorney Paul A. McCarthy, who represents the Union Oil Co.

In a petition presented to the county board, the Daly City residents protested location of a gas station on the property, at the

(Continued on Page 2)

NATIVITY SCENE at Woodlawn Memorial park greets passerbys through Colma. The display is one of the Christmas decorations seen in the local area during the holiday season. Also presenting Yule-time scenes are the two Daly City firehouses and Westlake Shopping center. Sponsoring home-decoration contests are Westlake Improvement association, Broadmoor Property Owners association, and Colma Branch No. 19 of the Italian Catholic Federation. Three-day holiday will be observed this year because Christmas falls on Sunday. THE RECORD photo

North County College Branch Seen As One Solution To SMJC Campus Controversy

Construction of a north San Mateo county college branch as a solution to the thorny problem confronting the San Mateo Junior college district was proposed to THE RECORD today by Robert Garvey, member of the college district's board.

Threats or recall and restraining orders have been directed by citizens committees to the college board because of the board's plan to purchase a multi-million-dollar 180-acre school site west of 19th avenue, and abandon present facilities at Delaware and Coyote compii.

Garvey, minority member of the board, has urged the trustees to proceed with caution on purchase of the 19th avenue site, and has asked that consideration be given to expanding the college's facilities at the Delaware campus on some 30 acres of land.

More Inaccessible

Garvey told this newspaper that, "If the school was moved into the San Mateo foothills it would be all the more inaccessible to the students of North San Mateo county."

At present the city of Daly City alone contributes $105,000 to the Junior college district annually, based on a tax rate of 35 cents per $100 assessed valuation. By contrast, Daly City sends only 57 students to the school. In other words, cost per students is about $2000 annually.

Garvey pointed out, however, that a portion of this money is allocated to the San Francisco city college as tuition for the some 150

(Continued on Page 2)

HILLTOP LODGE LOSES LIQUOR LICENSE PLEA

Motion of Hilltop Lodge owners to set aside order of the state department of alcoholic beverage control revoking the tavern's liquor license was denied Thursday in superior court. John J. Fahey, Jr., attorney for owners George and Ann Kirchhubel and Dan Pallas, said he will appeal the action.

Further action, however, will wait official notification by the court of Thursday's decision. Fahey has declared that he will ask the court to order a stay of execution so that the license will remain with the owners pending disposition of the case on appeal.

Primary contention on the appeal by Fahey is that the state board's use of Section 24200.5 of the state business and professional

(Continued on Page 7)

Council Gets Rest; They'll Need One For Tuesday Meet

Councilmen will get a rest over the Christmas weekend, but from the looks of items tentatively scheduled for next Tuesday's agenda, they'll need it.

Because of Monday being a holiday, the council will conduct their regular meeting on Tuesday night.

No less than four major items may come up for vote that evening.

They include: Decision on whether to start condemnation proceedings to obtain a 74-acre municipal garbage dump; Selection of two men to fill newly-created positions on the civil service board of review; consideration of adopting the national electric code, which is bitterly opposed by union electricians; and decision on whether to spend $22,500 for a Westlake library site and whether to remain in or withdraw from the county library program.

Horse Of A Different Color, Mam

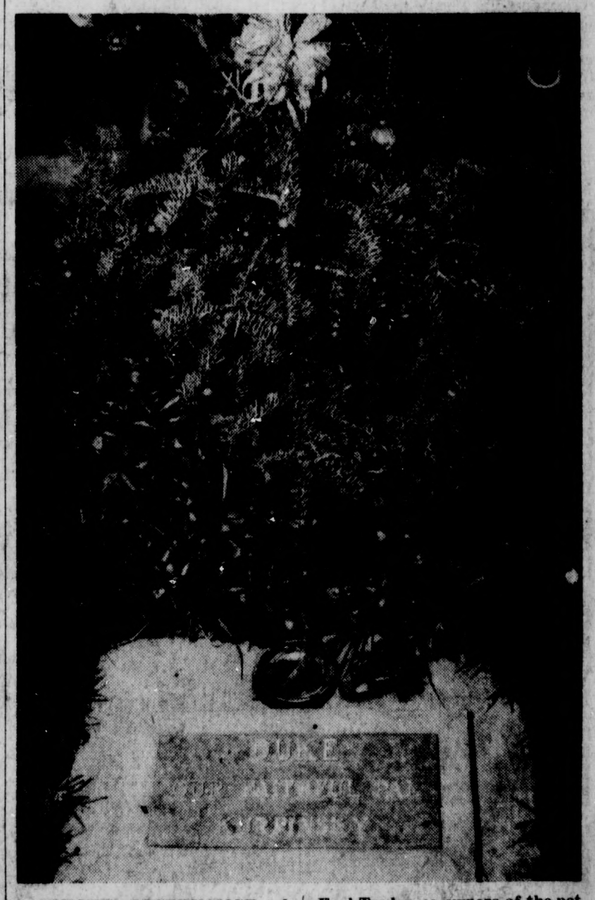
A horse in the pink of condition nearly ended up in the bottom of a tallow vat last Friday, all because of a mispronunciation.

Details of the bizarre occurrence which nearly led to the demise of a robust horse, were related by Broadmoor police chief Ray Savage as follows:

Margaret Mueller, of San Francisco, who boards her horse at 301 88th street, had called her blacksmith and asked him to come over and shoe the animal. He said he would be over that morning. Mrs. Mueller and the horse waited patiently at the stables for the blacksmith's arrival. (An important component of the story is the fact that Mrs. Mueller speaks with a heavy accent.)

Meanwhile, over at the Vincent Marsili place, 423 89th street, there languished a bro-

(Continued on Page 2)



UNIQUE OBSERVANCE of the Christmas holidays is seen at Pet's Rest cemetery on Hillside boulevard. Gaily decorated tree stands over the tombstone engraved: "Duke, Our Faithful Pal, Kurpinsky." Mr. and Mrs. Earl Taylor, co-owners of the pet cemetery, estimate that there will be at least 15 trees on the graves by Christmas day, Sunday.

THE RECORD photo

The Town Record

(Continued from Page 1)

two at the election in April," says this undercover politico.

So earnest is this group, says the informant, that they have contacted the San Carlos citizens committee which recently recalled three of their councilmen to determine how it's done.

According to this source, the city employees have assured them they will work actively for the recall.

This recall group complains among other things that all the new employees hired by manager HOWARD STITES—an engineer, two assistants, three stenographers, a purchasing agent and a draftsmen—were all called from outside Daly City.

The political winds should start reaching storm proportions next month.

MEL HANSON, local fire captain, is home from the hospital after two operations, but probably won't be back to work for several more weeks.

Yesterday marked the end of a feast and famine era for the Daly City Theater as it closed its doors for an indeterminate length of time.

There were the bonanza days when the local theater packed 'em in, and then more recently there were times when the house could be counted in 10s rather than 100s, as television moved in and downtown movie houses stepped up their billings.

JOSEPH GIOMETTI, floor manager of the theater, is enlisting in the Air Force.

Dishes which were raffled as prizes are going on the block at 25 cents apiece.

All in all, things are being wrapped up at Daly City Theater in what appears to be a permanent manner.

Horse Of A Different Color, Mam

(Continued from Page 1)

ken down old critter of a horse whose complexion was less than florid. That same morning the Marsilis had called Progress Tallow Works on San Pedro road and asked them to come down and dispose of the animal.

Tallow company employee Angelo Martinelli took off in his truck to pick up the indigent horse so he could transport it back to the tallow works and destroy it.

Unable to find the location of the doomed horse, Martinelli made the loop around Washington to 88th, thinking he was still on 89th street.

Viewing the truck, the patient Mrs. Mueller flagged the driver down and asked, "You here to SHOE my horse?"

Martinelli couldn't understand everything the woman said, but it sounded to him like, "You here to shoot my horse?"

"I'm the man," said Martinelli, or some words to that effect.

He told Mrs. Mueller he'd have to take the horse back to the shop to SHOOT it, to which she declared in happy accents she'd be happy to go along and watch him SHOE it.

Arriving at the tallow works, Martinelli summoned two workers who hustled the animal off to a convenient spot to do in the animal. Martinelli got out his rifle, walked over to the horse and put the business end of the gun against its head. Just as he fired Mrs. Mueller screamed, grabbed his arm and the bullet went harmlessly awry.

Mrs. Mueller wanted no more of this. She grabbed the horse's reins, and made tracks lickety split down San Pedro road, all the way through Broadmoor to the police station, to report the attempted mayhem on her horse.

After piecing the circumstances together, Savage surmised what had taken place.

The incident, it might be said, was merely one of a horse of a different color.

Westlake Site For Library Still Uncertain

(Continued from Page 1)

According to the library commisison, the amount of money gained in new municipal tax revenues by withdrawing from the county would be more than offset by the cost of providing services now given by the county, such as cataloguing and wages. Prior to last week the commission had favorded withdrawing from the county program.

Stites said that if the city had access to the some $25,000 in library taxes now paid to the county Daly City could "get much more out of it." Stites maintained that figures showing Daly City to be better off by remaining under the county operation were "misrepresented."

Verducci said the library commission's demand for a $60,000 operational budget in event Daly City operates independent of the county was "out of the question."

Better Than None

The mayor held that it would be "better to operate at half the maximum in Westlake than to have no library branch at all." He continued that, "We'll do the best we can and in the meantime try to get the branch here, even if it means staying in the county jurisdiction one more year.

Councilman Del Wilson felt it would be "just as hard to withdraw from the county next year." (The city must act by February 1 or will automatically contract for another year of county service).

Commissioner Jane Keith observed that, "If you could just get the land I think the people in Westlake would have something tangible to see. Up to now there's been nothing tangible."

Stites revealed he had a written proposal from Doelger offering a piece of land 139 feet by 110 feet for $22,500. Doelger has offered to construct the library and sell it to the city on a lease-purchase plan.

Commission chairman Wayne Carr said plans for the branch were already complete and could be put into action as soon as the site was acquired.

Boys' Christmas Spirit Take Destructive Turn

(Continued from Page 1)

they smashed 100 outdoor Christmas lights valued at $20.

The juveniles admitted breaking lights at two homes on Foothill drive and one on Maddux drive.

The youths were released to their parents, who agreed to make restitution for the broken decorations.

North County College Branch

(Continued from Page 1)

Daly City students who attend there.

Garvey's proposal is to extend the college's facilities geographically, rather than build a mammoth institution at the 19th avenue site.

He maintains that the new San Mateo site should be much smaller than the lavish one proposed by majority members, and that it should be a less expensive facility. This new school, which might be located at Delaware campus, could serve the San Mateo, Hillsborough, Burlingame area, he related.

A second school, which would be a branch, could be located somewhere in northern San Mateo county to serve the rapidly-growing Coastside, Daly City, Colma and South San Francisco, Garvey speculates.

"Once we build this 19th avenue campus, we won't have money left to extend any further. That will be it," Garvey emphasized.

Garvey said a north county branch could be set up to provide business courses and any other curriculum which demands warranted. Under Garvey's proposal, a north county branch is envisioned in three or four years. "I certainly can't promise a thing," he said. "But that's my idea."

Money's Worth? "No."

Even considering the 150 students attending college in San Francisco, Daly City is annually contributing about $500 per student. Asked if this community was getting its money worth in college education, Garvey declared: "In the cold-blooded sense, you're not. Of course you could send many more students to the college and would still contribute the same amount, but the travelling distance prevents this."

Citizen comment about the 19th avenue project seethed following a public meeting on the issue November 30. Charges that the session was "rigged" and citizens "muzzled" were lodged, and as a result possible court action in the form of recall or a restraining order were suggested.

Gene D'Ercole, leader of a special citizens committee which has demanded the abandonment of the 19th avenue plan, told THE RECORD that, "We're in the organizational stage now. We have several leading Daly City residents who are interested in our cause."

D'Ercole said actual recall steps would be taken "only as a last resort," and that, "We'll seek relief from the courts before we take this step."

Hearing On Gas Station Held Over

(Continued from Page 1)

southwest interesection of Hillside and Market, because of its proximity to Colma school.

At request of Don Lesher, spokesman for the petitioners, the Daly City council has also entered protest against the easement abandonment, although the property is outside the city limits.

Garbagemen Now Seek To Purchase Coast Dump

(Continued from page 1)

its operation through an ordinance.

Owner Will Fight

Faced with the threat of condemnation of the MacReady land, Lagomarsino told the council that the owner would do everything possible to protest the annexation of the land to Daly City, which comes up for public hearing January 9.

Stites said the city attorney had given an informal ruling that Daly City could condemn the land for public health purposes even though it remained in unincorporated San Mateo county.

"The Scavengers are willing to buy the land," Lagomarsino pleaded. "I don't see why you couldn't let them buy it and then condemn it several years from now. You'd still pay the same price."

Stites answered that, "The question of controlling the site is twofold: If the Scavengers own the land, the people of Daly City will have to pay whatever garbage rate they ask; and if the scavengers own the site, which is the only available one in this area, then no other garbage company could possibly bid on Daly City's garbage contract. It would create a monopoly."

Hits Condemnation

Sereni attacked the idea of condemnation, pointing out that it would take six to eight months and that his company was faced with eviction on a moment's notice.

After lengthy wrangling over different methods to acquire the land, Stites declared angrily. "We're just going backwards. I though we decided the whole procedure earlier. I'm getting a bellyfull of it. The only thing for us to do is go ahead and acquire the property by eminent domain."

To this statement Lagomarsino charged, "You're throwing the taxpayers' money out the window. The Scavengers pay taxes here and have a right to operate their business. I don't want anybody telling me how to run my business."

"Can't Pay Double"

Councilman Del Wilson suggested it would be best to avoid condemnation to acquire the land, to which Stites replied, "I don't see how we can negotiate. MacReady's price of $58,000 is so far off from the $22,000 appraisal that we can't very well pay twice what the property's worth and MacReady won't come down any."

Commenting on Lagomarsino's varied opinions on the matter, Councilman Micheal De Bernardi said, "I'm wondering who represents the Seavengers, Lagomarsino or Sereni."

Sereni rose to his feet and snapped back, "I represent the Scavengers and you don't have to make any smart cracks."

The debate closed, with neither of the three interested parties satisfied. Mayor Joseph Verducci said the council would take official action next Tuesday on the condemnation issue.

KIDS XMAS PARTIES ARE BANNER SUCCESS

Santa Claus and film comedies made up the important ingredients of the annual Christmas parties held Wednesday for some 2200 youngsters at Daly City and Serra theaters.

Capacity houses of 1000 and 1200 at Daly City and Serra movie houses, respectively, enlivened the parties sponsored by Daly City recreation department.

William J. Fitzpatrick and Merton C. Fesler of the city manager's office appeared as Santa Clauses.

Ed Mosconi of the recreation department was general chairman, assisted by John Belforte and Lou Martin and the recreation staff. PTAs assisted in the activities.

THE GOOD SPIRIT OF CHRISTMAS

"Peace on Earth, Good Will Toward Men" typifies the spirit of Christmas.

This means peace throughout the world, and universal good will, not just a restricted brotherhood among immediate friends.

At this time of the year we, like others all around us, feel this spirit of good will toward all men.

We feel an equal spirit of friendship with those who espouse our policies, as well as those who oppose them.

We feel a great kindliness to our readers who have praised us and simultaneously with those who have outwardly castigated us.

Good will, like mercy, is not strained.

Likewise the spirit of Christmas spills over abundantly to our advertisers and readers without whom we could not exist.

We are permeated with the good narcotic of the holidays. It is a time for merriment, for rejoicing and for wassail and, more important, a time for worship and contemplation of the Divine Event.

It is a good time. Probably the best.

EDITORIALS - FEATURES - COLUMNS

FIRST FILIPINO and one of the youngest persons ever to pass the California State Bar examination, Antonio "Tony" Marquez Bautista, is shown (third from left) during the recent United National convention in San Francisco. Tony, who came to this country after being imprisoned by the Japanese at Fort Santiago in Manila during World War II, lives at 183 Oliver street with his mother, Mrs. Antonio Bautista, sister Adalia and brother Jackie. The University of San Francisco granted Tony his law degree last June, after which he successfully passed the bar exam at the age of 21. Shown here with Tony are (left to right): Philippine Minister Plenipotentiary S. P. Lopez, Mrs. Bautista, and to Tony's right, General Carlos P. Romulo.

DC Youth, 21, Is First Filipino To Pass State Bar Examination

A 21-year-old Daly City youth, whose early life reads like an adventure novel, is the first Filipino and one of the youngest persons ever to have passed the California State Bar examination.

The story of Antonio "Tony" Marquez is that of a boy who came to this country at the age of 11 after suffering Japanese imprisonment at Fort Santiago in Manila.

It is the story of a boy who has realized his dream of becoming a lawyer like his father, for whom he is named.

The story begins when Tony lived with his parents, sister Adalia and brother Jackie in Manila before World War II and the Japanese occupation of the Philippines.

Worked Under Romulo

The elder Antonio Marquez was a practicing attorney, while Tony's mother worked for General Carlos Romulo, who at that time was managing editor of a Philippine newspaper. Mrs. Bautista worked as a police reporter under Romulo's direction and followed Romulo when he transferred to another paper.

Came the Japanese invasion in December, 1943, and the peaceful life of the Bautistas was brought to an abrupt end.

Tony's father, one of the founders of the Civil Liberties union of the Philippines, was captured and imprisoned by the Japanese in August, 1944. According to Mrs. Baustista, her husband was on the "top of the enemy's list" because he had advocated the boycott of Japanese goods in the Philippines.

Bautista Escapes

A few months later, Bautista escaped from prison and went to work for the underground. In retaliation for the escape, the Japanese arrested and imprisoned his wife and three children in Fort Santiago.

Shortly thereafter, however, Tony was released by the Japanese who hoped that the boy would lead them to his father.

The trick failed—Tony and the rest of his family never saw the elder Bautista again.

The family do not know Bautista's fate as he never has been declared dead by the Japanese.

Tony was taken into hiding by friends of the Bautistas after his release from prison. During the occupation, the youth did not attend school. He was in the fourth grade at the time of the invasion.

Geometry and Emily Post

Only book available to Tony during the two-year period were a geometry text and Emily Post's etiquette book.

The geometry text was given the boy in prison by Dr. V. Gokhale, an Indian mathematician and close friend of his father. Mrs. Bautista recalls that her son and the doctor held long conversations on mathematics while in prison because "they were too scared to talk about anything else."

A nurse at the prison donated the Emily Post book to Tony's small library.

In 1945, following the war, the family came to the United States and to Daly City where lived Mrs. Bautista's brother, Dr. Hilario G. Marquez.

Shortly after their arrival, Dr. Marquez gave his sister a store near the General Pershing school because he wanted her to be "independent."

Enter St. Ignatius

Tony, at the age of 11 and without attending school since the fourth grade, enrolled in the freshman class of St. Ignatius high school in San Francisco. In his spare time he helped his mother at the store.

At the age of 15 Tony entered the University of San Francisco on a chemistry scholarship although he majored in philosophy and minored in English.

During his term in U.S.F. law school, Tony was a member and treasurer of Phi Alpha Delta, honor law fraternity; justice of the "Court of the Fifth Bench," consisting of some of the most brilliant students of the school, and assisted with the Moot Court Team. He received his law degree in June.

After a visit to his grandmother in the Philippines, Tony plans to practice law in Daly City. Definite plans have not yet been established, but Tony says that he will continue to live here with his family at 183 Oliver street.

TV and Radio

By Mona Baker

PREMIERE OF A NEW TELEVISION PLAY . . . As we have watched the many fine dramatic programs on television, we have often wondered just how they originated . . . from where did the idea come? Last Friday evening it was our privilege to be present at a preview of an exciting new television play soon to be viewed on a national television network, and we learned how such a program develops.

Titled "Evening Primrose" the play is based on "Alice Eastwood's Wonderland," a biography of the famed woman botanist written by the noted San Francisco biographer, Carol Green Wilson. With appropriate scenic and musical backgrounds, the one-hour drama was read by Benjamin Draper, executive producer of "Science in Action" (KRON-TV, Mondays, 7 p.m.) from the stage of the May Treat Morrison Auditorium of the California Academy of Sciences in Golden Gate Park. "Evening Primrose" was written by Mrs. Wilson in collaboration with Martha Leavitt and Mr. Draper who have written a number of other successful television plays. The most recent teleplay by Miss Leavitt and Mr. Draper is "Jefferson Territory" a documentary about the Pikes Peak gold rush.

Well-known to thousands of readers, Mrs. Wilson is the author of the national best seller "Gump's Treasure Trade" of "California Yankee" and of "Chinatown Quest." This play is her first venture into the field of television and somehow we feel that this program will mark the beginning of a new career that will bring her added acclaim.

Prior to the reading Mrs. Green discussed her experiences in writing the book and Miss Leavitt explained how they came to write the play. Several months ago Mr. Draper was in New York conferring with network officials on the subject of various television plays. He just happened to run into Mrs. Green at the Press Club and then and there they decided to write a television play to coincide with the publication of "Alice Eastwood's Wonderland." So the three writers met once a week at the home of Mrs. Green, discussed the life of Alice Eastwood and wrote the play.

Not being of a scientific mind we frankly admit that we might not have read about Alice Eastwood if we had not first heard the television play based on the book. We were intrigued with the fascinating account of her life that the television play painted for us, and not only are we eagerly looking forward to the program over television, but we are quite interested in delving further into the life of this great woman botanist.

Trustee Replies To "Extravagant" Westmoor School

A Jefferson high school trustee this week answered charges that the new Westmoor school was extravagant.

Trustee Elio Fontana said, "There's been a lot of pressure from Coastside residents over the Westmoor project. Apparently they don't want to see the school built.

"They say the school is expensive, yet it will be constructed cheaper than any other school in San Mateo county since the Korean war. The overall cost per student of $1900, which includes grading, is very low. Other schools in the county have gone as high as $2100 per student, not including ground improvement."

Fontana branded as untrue reports that the state and county had questioned construction of Westmoor under present plans.

"Nothing could be further from the truth," the trustee said. "They never condemned it any way whatsoever. The building is architecturally sound, educationally functional."

At a meeting earlier this month, Trustee Raymond Whitney had read from letters from a state planning official to Architect Mario Ciampi which advised the district that it might run into trouble if more than 120,000 square feet were used and if enrollment was not held at 1500. The state official's contention was that if Westmoor's square footage was too high, and if too many students were housed there, it would impair the district's chances for a state loan for a third high school, inasmuch as the district would be unable to prove need.

"The Coastside people did question certain aspects of Westmoor and the board gave its decisions. That was it," said Fontana.

DEADLINE ON 'OPERATION SANTA CLAUS' CAMPAIGN

Donations for "Operation Santa Claus" will be received until this Friday deadline, it was announced today by Co-Chairman Peter Markovich. Total cash gifts have reached $700, and more is desperately needed, according to the co-chairman.

Newest donation was received from the Misbe-Haven teen club, sponsored by the Daly City recreation department, who turned over $32 to the drive. The club's donation constituted proceeds from the weekend's dance.

Toys also are needed, according to Markovich's partner, Fire Chief Elmer Kennedy. Toys may be delivered at Firehouse No. 2, 499 Santa Barbara avenue; Firehouse No. 5, 50 Lake Merced boulevard, or the city hall, 75 Wellington avenue.

All drive collections will benefit local residents who otherwise might not enjoy a merry Christmas.

Be sure you have your headlights on low beam when you're following within 200 feet of a vehicle ahead, reminds the California State Automobile Association. State law makes it illegal to follow another vehicle with your lights on high beam.

Elementary Schools Hold Vision Testing

Vision screening program is now being provided for pupils of the Jefferson Elementary School district. Sixty-two classes are being tested by classroom teachers under guidance of school nurses. These teachers had qualified themselves to give the tests by taking a six-hour course given by school nurses last year, according to Superintendent H. Z. Weibel.

Children whose tests indicate a visual difficulty will be recommended to their parents for a referral to a health advisor for an examination.

It is to be understood by parents, teachers, and pupils that this testing is merely a "screening" process and while it will detect a large proportion of those pupils who have common visual problems it will not detect every pupil needing eye care. The school recommends that children who show symptoms of eye trouble even though passing the test be further examined. Parents should realize that there is no attempt at diagnosing or defining conditions, school authorities report. The school's only concern is that the child performs either satisfactorily or unsatisfactorily where tested. On the basis of this testing, the teacher will refer children to the school nurse who will make further appraisal and contact the parent.

For children whose vision is poor and not correctable there are educational adjustments which can be made in the form of seating arrangements and sight saving books. There are also sight saving classes available for pupils who have the more severe loss of vision.

California State Law has now specified that teachers may test vision of pupils after completing a six-hour course and receiving a vision testing credential. This course is being given now to 30 first, second and third grade teachers by Mrs. Helen Delafield, health coordinator, assisted by Mrs. Betty Boykin and Miss Georgia Pritchard, school nurses. It is planned that the course will be given in February for fifth, sixth, and seventh grade teachers. This will assure the first through seventh grades or over two-thirds of all of the children of an eye test. It is intended that all teachers will eventually be qualified to test so that every child will be checked each year.

In order to qualify themselves for Vision Screening, teachers must take the course which includes (a) basic knowledge of the structure, development, and function of the eye (b) basic knowledge of symptoms suggesting eye difficulty (c) techniques and procedures in administering Snellen and Plus Sphere Tests (d) practice in administering the above tests under the supervision of a qualified supervisor of health.

The tests that are now being given in the classrooms have the two-fold purpose of testing the children for further referral and stimulating awareness on the part of the teacher regarding the health of her pupils.

Man Charged With Auto Theft Guilty On Lesser Offense

Richard Rempel of San Bruno, originally charged with stealing an auto from Volume Auto Sales at 7276 Mission street on November 26, pleaded guilty to a lesser offense of unlawfully driving away an auto and was sentenced to six months probation in municipal court yesterday.

The auto theft charge against Rempel was dismissed. Judge Thomas L. Bocci sentenced Rempel to 30 days in the county jail on the misdemeanor "joy-riding" count, suspended on condition he be placed on six months probation. The probation was suspended during the man's tour of duty with the U. S. Navy.

In Tuesday's court dispositions, Lester Flowers, 22 Bepler street, a Yellow Cab Co. driver, pleaded guilty to being drunk on December 11 on Mission street and paid fine of $50.

Leonard Lenze, 2739 43rd avenue, San Francisco, charged with petty theft at Tile Sales, 1989 Junipero Serra, pleaded guilty and was sentenced to 30 days in jail or $100 fine and ordered to make restitution of the stolen funds. In addition he was placed on six months probation.

Two For Tonight

By Leonore Brewer

A CHRISTMAS MESSAGE TO:
Mr. Kurt Herbert Adler
War Memorial Opera House
San Francisco

Dear Mr. Adler:

Last year we addressed our Christmas wish to Santa, but he didn't send us what we wanted. He didn't even answer. So this year we are sending it to you. This year's wish is the same as last: we wish that the San Francisco Opera Company would produce "Norma."

We first heard about "Norma" a long time ago, when we read Marcia Davenport's "Of Lena Geyer," in which several references are made to the aria "Casta Diva." For us, this was an unknown aria from an unknown opera, and to be embarrassingly truthful, we'd never even heard of Bellini. Inspired by the book, we tracked down a recording of Ponselle singing "Casta Diva" and realized for the first time that Verdi and Puccini hadn't written the last notes in opera.

At that point began our discovery of how limitless is the operatic treasury. From the thousands of operas, good, bad and indifferent, you would occasionally hear from one an aria, from another a duet, but it seemed as though the dust would continue to lie undisturbed on most. And then came the LP record.

When Cetra transferred an old 78 recording of "Norma" onto LP's, we bought it, sound unheard for the memory of that one great aria. We wore out the grooves in the first album, then bought another which met the same end.

When the word went out that there was a new voice in the operatic world, ours was the first reservation received by the record shop for Angel's recording of Callas singing "Norma." It is absolutely glorious. When we listen to it we are convinced that it's the greatest opera ever written. And this is only a recording. Think what an actual performance would be like!

So, as we sit here, feeling mellow and Christmasy, sipping our eggnog and listening to "Norma," we have decided to send our Christmas wish to you, Mr. Adler, because in your hands lies the power to grant it.

With the wish comes a Christmas blessing on you for having blessed us with "Chenier" and "Macbeth" and Troilus" and "Lohengrin."

Take First Step In Disaster Plan For Local Schools

First step towards preparing an over-all plan for local schools in case of a disaster was made last week at a meeting of the PTA coordinating council. Principal speaker was Phil Patten from the county office.

Primary suggestion made by Patten was that the district should formulate a plan and be prepared to execute the plan in case of an emergency.

The following alternatives were reviewed:

1. School officials would evacuate children in first available transportation.

2. Parents would call for their own children and take others. If a parent does not arrive, the child would be evacuated by school bus.

3. The child would wait at school for his parent.

Elaborating on the three alternatives, Patten stated that county recommendations include "taking cover to wait instructions on radio stations "Conelrad" and seeing that each school be equipped with first aid material and persons trained in its administration.

Superintendent H. Z. Weibel declared that each school plant is equipped with a battery powered radio.

Discussion of a survey on availability of parent cars saw no definite action although suggestion was made that the poll be carried on in conjunction with the county wide continuing survey.

A second meeting, hosting Harry Koch, county coordinator of civilian defense, will be held in the near future.

Present at the first meeting were: Mesdames Edith Silvestri, Colma PTA; G. Marchetti, Colma PTA; E. C. McAlpen, Westlake PTA; Eleanor Zenovich, Crocker and 87th street principal; Eve Hobbs, Jefferson High school; J. D. White, Crocker Pershing PTA; F. Hermosillo, Woodrow Wilson PTA; M. Plansky, Woodrow Wilson PTA; Katherine Mullen, board of trustees; J. Landess, school secretary; A. Mattison, Hillside PTA; and Messrs. Don Pagani, Pershing school; David Shapiro, JESD business manager; M. Baxley, Broadmoor police, and Fred Schweickhardt, Colma primary principal.

News From Here & There

By Eleanor Doyle

The many friends of ROBERT PORCELLI of 47 Peoria will be happy to hear that he is now able to be up for a few hours each day. This boy is still mighty anxious for some of his friends to drop in and visit with him. How about a card shower for this youngster who has been bedded down with rheumatic fever for over eight months?

Hear that Bob's brother, RONALD, is celebrating his tenth birthday today, so many happy returns.

FATHER FRANCIS REALI came all the way from Cloverdale last Monday evening to christen LYDIA CAROLYN ENGLISH at Holy Angels church. Godparents were TOM and BEA GENART of LOUVAINE DRIVE. A gala dinner was held at the GENART home. Between the six Genart children and the seven English youngsters a hectic time was enjoyed by all.

Belated birthday wishes go to MISS PENNY QUINTEROS of Abbott, who blew out eight candles on her cake last week, with many relatives gathered around to help her celebrate the day.

THE FRIENDLY NEIGHBORS of Abbot seem to be doing a lot of traveling these days. The Club went down to Redwood City to the home of one of their former members and celebrated their annual Christmas party. Gifts were exchanged, and the members surprised MRS. PAT ORBANOS with a lovely birthday present. Plans are being made for their annual New Years Eve party with PAT and RAY ORBANUS as host and hostess for the big night.

Hear that the CROCKER SCHOOL Christmas Pageant was very successful, with every child in the school participating. The auditorium was crowded with proud parents who came to see their children.

Another youngster who seems to be improving rapidly is little two-year-old TOMMY KAHLE of Second avenue, who recently was badly burned. Instead of major surgery, the doctors say it will now be a minor one. The folks are anxiously awaiting for a plastic surgeons report this week, so lets all keep our fingers crossed for Master Tom. . . . In all the confusion I forgot to wish Tom's sister PATTY a happy birthday. So this wish is a wee bit late, Patty, but we're sending it anyway. . . . Happy birthday also is being sent to Brother RAY who is about to celebrate his seventh birthday. . . .

THE GABBY EIGHT sewing club gathered at the home of MRS. MARY NOE the other evening, for a farewell dinner for MRS. H. CORNOR, who moved to Sparks, Nevada a few days ago.

The FLOYD IODENCES of Knowles are anxiously awaiting visitors from Oregon over the Christmas holidays. Hope the folks enjoy their visit.

Happy birthday to MR. FRED HESS of Hillside, who just celebrated a birthday. . . . Hear that the folks enjoyed last weekend at the Russian river with their three children.

Busy MARY JEAN MARCHETTI of Moltke street has added another attraction to her singing act. She now sings and works puppets at the same time. I hear that the act is terrific.

NEWS FROM STERLING PARK . . . . THE JOLLYS of D street are also entertaining out of town guests for the Christmas holidays. Mrs. Jolly's folks are here from the New York to spend two wonderful weeks with the folks. Glad to hear that you're feeling lots better, Mrs. Jolly, after spending a few days in bed with the flu. Nothing like out-of-town company to perk one up. . . . Hear that BILL and FLORENCE SWARTFAGER of B street celebrated their eleventh anniversary. So our hearty congratulations, folks. Not much news from the Park this week, so how about hearing from more of you down there.

SHERRY ANSAIDO of Abbott also celebrated last week after school when a group of her friends arrived at the Ansaldo home to help her celebrate her ninth birthday.

THE BROWNIES in TROOP 210 are hoping for good weather so that they will be able to sing Christmas carols around Abbot avenue. After their caroling, if the weather will permit, the Brownies will go to the OFFENBACH home for refreshments and exchange gifts. Do hope the weather holds out as we folks on Abbott are anxious to hear the Brownies sing.

News from CALLAN HEIGHTS . . . Hostess for the December meeting of the Birthday Club was MRS. JUNE GAVILGO of Lausanne. . . . Birthday gifts were showered on MRS. BILLIE GLIKSIR, with Christmas gifts being exchanged by each member. . . . The SALTSGAVERS home on Lausanne is also a scene of happiness with relatives visiting from Kansas City and Council Bluff, Iowa, for the Christmas holidays. . . . Happy birthday wishes are being sent to MISS BARBARA DIRECKSON on Chester street, who just blew out twelve candles on her birthday cake. THE JOLLY NIMBLE THIMBLE CLUB met at the home of MRS. BETTY DAVIES the other evening for their annual Christmas Club party. Secret pals exchanged gifts and revealed their identity and new names were drawn for '56.

If anyone hasn't as yet bought a BROWNIE CALENDER, call Mrs. Ann Ingersoll at JU. 7-5350 and she will be glad to sell you one. The money goes for such a worthy cause.

The LEE D. HAYES folks on Shakespeare also have an out of town guest. A cousin who is touring all over the country surprised the folks when she dropped in and visited a few days. The folks are anxiously awaiting their son to arrive home for a 30-day furlough.

The Villa Chartier was the meeting place for some of our local gals the other evening for a reunion of former classmates. These girls have been the best of friends since the third grade of school. They are BONNIE WILCOX, HELEN LIBERTY, BARBARA BAUGHN, DOROTHY KNOX, JUANITA RAGONE and JOYCE OBERG.

A get well wish is being sent to MISS JERILYN VICKERS who is convalescing at the Junipero Serra hospital due to injuries she received when she was hit by a jitney at Bismark and Hillside. Hope you'll be home soon.

Another one of our youngsters who spent a few days in the hospital recently is CHRISTINE MONTANA of Bismark. This little girl has had several eye operations and is coming along beautifully. Glad that she was able to see Santa and enjoy the school party before she went off to the hospital.

Some last minute birthday wishes go to CARMELITA GONZALES of Hillside, who just celebrated her fourth birthday. . . . Over on Peoria street LINDA MADONISH celebrated her seventh birthday. A beautiful party with a Christmas theme was enjoyed by all her guests. . . . The last birthday wish goes to LINDA ORNELLAS of Abbot who blew out nine candles on her cake, with many relatives gathering at the Ornellas home for a birthday dinner.

Our sick list is a small one this week, with RUTH ANN and MABEL LYNN HUSLSE of Abbot down with bad colds. Laryngitis is keeping SUSAN COSTELLO of Gambetta mighty quiet these days, even has a bad cough to go along with it. Hope you will all be well enough to greet Santa though.

MRS. ANN INGERSOLL of Crocker avenue was hostess the other evening to the wives of the officers in her husbands lodge. While the men went off for their installation dinner, the ladies enjoyed a wonderful dinner at the Ingersoll home. The money collected was later donated to the Martha Circle of the Grace Presbyterian church.

The play "THE LITTLE FIR TREE" acted out by the GIRL SCOUTS in TROOP 11 was enjoyed the other evening at the Peoria Scout house by many proud parents.

Well this is it for this week, do hope I haven't forgotten anyone. Remember to call PL 5-5419 with your news.

Burglarize Colma School Of Radio, Hand Grenade

Colma school was burglarized over the weekend of a radio and deactivated hand grenade, according to police.

Thieves apparently entered the school by breaking a window. Both articles were taken from Principal Bernard Gerdes' office. Loss was estimated at $31.

Village Notes

By Gwin Mitchell

PL 5-0679

M—Many happy returns are due Midway's Stevie Lamentia, who is a December boy with four years to his credit. After a lunch shared with guests Ronnie Stettler, Mike and Kenny Zgraggen, Jeff Devlin, Billy Tobin and Peg Murphy, Stevie took the whole crew with him to Stonestown. Of course they all had to visit with the world's favorite fat man, in between rides on the ferris wheel, etc.!

E—Every time we've seen Kay Mullen lately, she has a new kind of holiday decoration on her fingernails. First, it was gold dust on red, then silver stars, and word has it there will be green stars on hollyberry red for Christmas! What next from the idea wizard of Stoneyford?

R—Renee Senter is one busy gal. After seeing two sons through birthday parties, she went off to the hospital and presented her family with a new 6 lb. daughter—Catherine Gail. The four Senter men are the proudest on Stoneyford, with brothers Greg, Bernie and Peter rivaling father Al in chest measurements!

R—Recipes are part of the Christmas season, and we hear that Nellie Krawetz has some that are terrific. For the third year, the Den Mothers of Cub Pack 84 met at her Washington street home for their Christmas party, and, as usual, Nellie provided the appetizers and cheese cake. They are made from a super-secret recipe, though, and Nellie isn't talking!

Y—Young man about Stewart street Richard Orloff had a birthday too, with a party to end all parties. Helping him share a six-candled cake were Chris Goodner, Jay and Vince Haymaker, Johnny Skillman, Mario Rizzo, Cheryl and Gary Grimes, and Vicki, Philip, Jerry and Paul Petruzzelli. The young Petruzzellis brought their parents with them, and stayed to have dinner with the Orloffs after the tumult and shouting had died down. On the whole, quite a day!

C—Caroling is one of the best and happiest Christmas customs, to our way of thinking. The American Legion Auxiliary's (824) junior group planned a caroling trip through the Villages this Thursday, bringing cheer to some of our Villagers who are in special need of it right now, and helping make their holidays a little brighter. Some of the mothers went, also. Bouquets to the whole group for their thoughtfulness. . . .

H—Heralding some soon-to-be-Villagers were Pinky Herald and Maurine Guymon and Barbara Bodmer, who gave a couple of baby showers recently. Pinky honored Terry Fontana, and most of Village Lane trouped over to the Herald's Westlake home with appropriate gifts. Louise Sisk, Shirley Pappas, Rosemary McVicker, Velma Chelone, Dot Hazen, Melanie Fernekes, Betty Bullen, Marion Olsen, Louise Cloonan and Gloria Silva shared conversation, exclamations, and refreshments. . . . Maurine and Barbara gave their party for Judy Wilson at the former's home on Foothill. Reba Nye came up from her new home in Los Altos to join Iris Nolli, Mary Cordano, Mabs Guz, Darlene Brand, Helen Holman, Doris Rehe, Anne Young, Ruth Jones, Fran Dethleffsen, Doris Chichester, and Lorraine Lee for the gay occasion. Incidentally, both Terry and Judy are expecting Christmas-time babies.

R—Ronald Schmidt, one of Midway's own, will have to spend Christmas in Children's Hospital, but he is looking forward to coming home in February, which is good news indeed. Polio has kept him away from home since last August. Since he can get around in a wheelchair, he was able to visit little 8-year-old Margaret Cryer, who has been there with polio herself for over a month. Margaret's mother told us that she might be home at 708 White street for Christmas, though, and we hope she is. There will still be a long getting-well time ahead for both Ronald and Margaret, and after all the holiday remembrances are over, cards and good wishes from friends and neighbors will help the time pass more quickly for them both.

I—It doesn't seem to be too early for some to plan for summer! Betty Brown of Sterling Park, Susan Damon of Garden Village, and Nancy Golladay of Broadmoor were chosen to represent the northern San Mateo County Girl Scout Council on three different summer expeditions, with Broadmoor's Arlene Hansen as Betty's first alternate. Nancy is from Mariners Ship 4, and the others are from Mariners Ship 13. Congratulations to some rightfully proud young ladies!

S—Storytelling is an art in itself, so we learned from Polly McGuire, who has told all sorts of stories to all ages of children for many years. She came out our way last week to tell stories at the children's party given by the Garden Vilage homeowners' group, and kept the youngsters entranced with her Chinese version of how the elephant got his trunk. Her 8-year-old daughter Maureen helped with the Chinese shadow puppets, which moved behind a silk screen. Mrs. McGuire belongs to the Golden Gate Story League, one of several in the bay area, and she hopes to see more groups started. All it takes is ten interested people, and a whole new way of teaching and entertaining children is begun. The young guests at the party were also visited by Santa Claus, complete with gifts.

T—There has been some sort of new speed record by Larry Green and son Phil. Their names were drawn for the antlerless deer hunt in Lassen county, so they left Manila Way at 7:45 on a Friday night. At 7:15 Saturday night they were home again, having driven up and back by way of Truckee, Nevada, and each having gotten his deer. Not only that but they stopped off in Soda Springs on the way home for a try at the skiing! Whew!

M—Moving is still going on hereabouts. Bill and Eleanor Moneymaker have left MacArthur for Boise, Idaho, where Bill will be working. We would like to welcome the Morrisons, who are the new neighbors moving in. Also moving in are Myron Sebring and wife Violet, who will be at home on Washington street. They are coming over from Alameda, after five years of commuting for Myron, and hope to be settled soon. They have a married son in Richmond and three granddaughters, who will be over for Christmas. The Sebrings came out from Kansas in '43, and then Army duty sent Myron back to Ft. Knox, the following year. He said he went by the gold, but couldn't see it for guards!

A—Aida Larson certainly had a wonderful display of Christmas books at the James L. Snell PTA meeting last week. There were stories and traditions from all over the world, and the various religious ideas and approaches to the Christmas story, plus carols and pictures. The holiday spirit was very much in evidence all evening, with children from GV and BF schools presenting Christmas songs and dances, and the portrayal of the manger scene was beautiful. Of a surety, children can give Christmas an extra glow. . . .

S—Something to dream over is the beautiful built-in wall the Guymons put in their home on Foothill. . . . It has a desk, phonograph, records, books and just about everything else fitted into spaces of their own, and is driftwood-finished in redwood color. They did the fireplace over too. Their bridge club could hardly play last week for admiring it all! Said club numbers, besides the Guymons, the Ed Lees, Robert Fernekes, Grant Holmans, Dick DeBerrys (now in Marin), and the Dave Walkers (also from Marin).

T—Terry Travinsky had a 6th birthday party last week, and managed to have room for two guests per year, plus cake and ice cream—all in a candy cane atmosphere. Kevin Terry, John Murphy, Carla Larson, Karen and Marilyn Mattson, Gary Stettler, Billy Abbott, Russell Johns, Mario Rizzo, cousin Michael Travinsky, sister Cindy and brother Johnny were all there to enjoy the games and favors.

O—On the subject of birthdays, Maddux drive's Ricky Corso fell heir to a ninth year, so Den 1 of Cub Pack 259 had a chance to celebrate this Friday. Bill Beck, Jack Mitchell, Clyde David Cleveland, Richard Cashdollar and Jimmy Swoverland are the lucky guests, plus Ricky's brothers, Michael and Tommy.

A—Anniversary announcement of the week: Bea and Ray Meade on Maddux have reached their tenth year together, almost eight of which have been Broadmoor resident years. Ray is a whiz at repairing and constructing scientific instruments, and Bea is the good fairy of every child on the block, being liberal with love, time and attention. Her own small Cathy Lou and Pat are very special, and have Daddy completely under their thumbs!

L—Louvaine drive has its bridge club too, and they had a very Christmasy meeting this month at Dorothy Goodwin's. Besides Dorothy, members include Helen Richardson, Nicke Driscoll, Lee Johnson, Ruth Tashro, Claire Vocke, Ann Zweig, Mary Cardano, and Mari Jene Kasso, who is an ex-Louvaine-ite commuting from Berkeley. In case you were counting, there are nine members!

L—Last but not least, our Christmas card to you. Thank you for the contributions you have made to Village Notes, and the interest you have taken in it during this past year, both of which make it easier to write. It's nice to know that all the phone calls and midnight oil go into something which seems to have been of service to you. Have a very happy holiday season, and may the new year ahead be one of growth and goodness for all of us. . .

STUDYING the Hospitalization benefit fund plan are three members of Hillcrest Circle, No. 143, Druids. The organization, which originated from an ancient Scottish priestly tribe, was begun here in 1929. Shown here are, Mesdames: Grace Hill Victorine Lombard and Madeline Fellows. THE RECORD photo

Druids Originate From Ancient Priestly Tribe

Editor's note: This is the fifth of a series of articles on local women's organizations. THE RECORD will feature each women's club listed in our files in alphabetical order.

The Druids, as we know it today, was established in London in 1771. It originated from an ancient priestly tribe who dwelt in northern Scotland.

The Druidic Order was established in California in 1859 by Frederick Sieg, the first Grove being organized in Placerville. Today there are 57 Groves and 89 Circles in California with a membership of nearly 15,000. It is a fraternal order with the care and education of the members and their families as the main objectives. Scholarships are awarded each year to assist needy students. Care is given to those who need help.

Organized 1929

Hillcrest Circle was organized in 1929 by Grand Arch Druidess Caroline Blair. Mrs. Victorine Lombard, a well known local lady, started the Circle with a charter membership of 35. This Circle now has a membership of 130. Mrs. Madeleine Fellows, Mrs. Lombard's daughter, was the first Arch Druidess. Mrs. Fellows and Mrs. Grace Hill have been state officers and are now Past Grand Arch Druidesses of the State of California.

At the present time Hillcrest Circle sponsors a Youth Hobby show each year, assists the Girl Scouts Campership fund and participates in many local activities during the year.

Charter Members

Of the charter members the following are still with the group, Mesdames: Lombard, Fellows, Johanna Hedvall, Florence Bryant and Minnie Servetti.

The following officers are serving at the present time: Arch Druidess, Mrs. Leola Bedell; 1st Bard, Mrs. Eleanor Wilson; 2nd Bard, Mrs. Gertrude Bonomi; Secretary, Mrs. Grace Hill; Financial Secretary, Mrs. Clara Poket; Treasurer, Mrs. Ada Jastrumske; Conductress, Miss Ann Foy; Assitant Conductress, Mrs. Verna Healy; Inside Guardian, Mrs. Rose Barnett; Outside Guardian, Miss Maureen Schueszler, Chaplain, Mrs. Angelina Sereni; Musician, Mrs. Lynne Boskey; Trustees, Mrs. May Baker, Mrs. Chrystal Scueszler, Mrs. Agnes Morton; Auditors, Mrs. Florence Young, Mrs. Martha Wegner, Mrs. Winifred Evans; Deputy Grand Arch Druidess, Mrs. Lillian Felch.

Meetings are held on the second and fourth Mondays at the Masonic Temple. Members hold a monthly whist party the fourth Monday when the public is always welcome. At the present time the State organization is active in establishing a hospitalization fund for the benefit of members. Anyone wishing information may contact any of the above members for further details.

Thieves Take $282 From Daly City Woman's Home

A Daly City woman was minus $262 this week after thieves entered her home over the weekend and took the money from a sealed can kept in her pantry.

Victim of the burglary was Erma Cattaneo, 238 Vista Grande avenue. Police said that the thieves apparently entered the house through an unlocked rear door on Friday or Saturday.

Daly City Man Passes Collection Agency Test

Robert Hugh Craig, 21 Paul street, was among 35 persons who recently passed an examination for collection agency licenses, it was announced today by Secretary of State Frank M. Jordan.

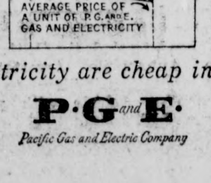
Meet the Davidsons
who were married in Monterey in 1935

20 YEARS AGO—when Agnes and Louis Davidson set up housekeeping, they had just 11 appliances: gas range, water heater, gas heater, toaster, electric grill, waffle iron, mixer, radio, coffee maker, two irons.

TODAY—the Davidsons and their four children, Francine, Juanita, Louis, and Salvatore, have 23 appliances in their spacious home: television, automatic washer, radio-phonograph, radio, toaster, electric ironer, refrigerator, electric grill, waffle iron, mixer, coffee pot, two irons (one steam), electric heating pad, vacuum cleaner, electric shaver, gas range, water heater, floor heater, electric hand tool, soldering iron, sewing machine, electric clock.

Today they buy $16 worth of gas and electricity for $12
... for the average unit cost is about ⅓ less than it was in 1935

The average California family is using three times as much gas and electricity as it did twenty years ago. And, like the Davidsons, you're probably using more gas and electricity as you add more and more modern-living appliances and better lighting to your home. As a result, your bill may be higher. But it is far lower than it would have been twenty years ago. For, thanks to mass production economies, the average cost of a unit of gas and electricity is down about one-third. Thus, the Davidson's gas and electric bill in a recent month was $12.22. In 1935, the same amount would have cost $16. Your own bill would probably show similar savings.



Can you think of any other prices that are lower today than twenty years ago? *No wonder we say . . .*

Gas and Electricity are cheap in California!

Colma PTA In Christmas Meet

Colma PTA of Jefferson Elementary school held a joint executive board and sewing-sunshine meeting last week at the home of President Mrs. Mervin Nofziger. A Christmas party followed the meeting with exchange of gifts and serving of refreshments.

Mrs. Gino Marchetti and Mrs. Adolph Silvestri attended a civil defense meeting at the administration office of the Jefferson school district in Westlake. They will make a report at the next regular meeting January 10.

The classroom parties for the children were held December 15. Mothers cooperated with room representatives in each class serving the children candy canes, ice cream, and cookies.

Mrs. W. Gaston, PTA recreation chairman, Mrs. J. Picardo Jr., Mrs. Gino Marchetti and Mrs. Nofziger served on the Christmas party committee at the Serra theater Wednesday.

Next executive board meeting is January 24.

'WILBUR' VISITS BAYSHORE KIDS AT XMAS PARTY

"Wilbur," counterpart of Kearney Elia, ventriloquist, entertained the children of Bayshore and Midway schools at their Christmas party Friday in the Bayshore school auditorium. Elia is well known in the Bay Area, and recently was one of the main attractions in a program at the Church of The Visitacion, honoring the Silver Jubilee of Father Lawrence Krause.

Mrs. Stella Filarski, honorary life member of Bayshore and Midway PTA enacted the roll of Santa Claus for the children, and Mrs. Harley King was mistress of ceremonies for the three performances, as well as chairman of the party. Favors and candy canes were distributed to the children following the community singing of carols.

Reverend John Pearson of the Saint Andrews Lutheran church, spoke on the subject of "Faith in Teamwork" at the regular monthly meeting of the PTA on December 14. Refering to himself as a "PTA Hopper," Reverend Pearson explained that he had been the invited guest speaker for three school groups in the one week, and in all instances, had been asked to speak on faith, which to him was a splendid example of the type parents who took active parts in the lives and religious welfare of their children." Faith in the child's ability to learn or to get ahead, is not enough," said Reverend Pearson. "For unless the child also has a deep faith in God, the parents may find that it later life, they have neglected the most important stage of that child's training."

Mrs. Marse Datzman, PTA president, announced there would be no executive board meeting for December. It will take place January 6 in the home of Mrs. E. M. Hanschman, program director. Until the completion of the new schoolrooms, the executive board meetings will be held in the homes of various members.

Hyers Music School Offers Yule Recital

Student recital and Christmas party was recently held by the Hyers school of music. Offering musical presentations were the following pupils:

Linda Christin, Julie Vasquez, Gary Smith, Gail Lindstrom, Joan Pennington, Debbie Hyers, Joan Kimber, Tommy Harang, Mary Whalen, Mary Jean Marchetti, Melody Smith, Lois Holcomb, Raymond Cattelan, Gary Tensfeldt.

Wardell Angilley, Susan Schmale, Kitty Kavanaugh, Jan De Shera, Ronald Anderson, Marilyn Carr, Sandy Sweeney, Barbara Ohlendorf, Renee Champagne, Shirley Rentsch, Theresa Peralta, Clarita and Jeannette Flores, Pat Payne, Mary Ann Gensel and Cecile Champagne.

Crusade Allocation Change Urged To Benefit DC Scouting

The dilemma over United Crusade funds donated in Daly City but which do not find their way back to aid the Boy Scout program here was thrashed over Friday at a special meeting of Scout and United Crusade officials.

Daly City's grievance, brought to light by City Manager Howard Stites, himself an active Scouter, was the fact that city employees were donating to the Crusade on the premise that their gifts helped finance Scouting here.

However, funds collected here are turned over to the San Mateo county Crusade drive, while Daly City's Scouting program is administered through the Lake Merced district, which is included in the San Francisco program.

Therefore, no funds donated here are allocated to help finance Scouting in Daly City.

Raymond Baarts, executive director of the Bay Area United Crusade, Oscar Alvorsen, chief Scout executive of the San Francisco Council, and a representative of the San Mateo county Crusade, met in an hour session and proposed a budgetary change which might alleviate the problem.

Baarts said he would talk to the president of the United Crusade in an attempt to have funds donated here appropriated directly to the San Francisco Scout Council before the money is turned over to the Community Fund, the group that administers the bulk of Crusade finances. Once the money reaches the Community Fund, it cannot be allocated outside San Francisco. Baarts said he would also contact the San Mateo Crusade headquarters and ask for a similar priority allocation there.

Marjorie Werby To Play Lead Drama Role

Marjorie Werby, wife of Norman Werby, 58 Santa Barbara avenue, will again play the lead role of "Olivia" in the Abbott Abrams dramatic production of Shakespeare's "Twelfth Night" which reopens January 5 at 1740 Washington street, San Francisco.

"Twelfth Night," which ended a run last week, will be staged January 5, 6, 7 and 8.

Mrs. Werby, who has appeared on television and in the movies, has been a resident of Daly City for eight years.

Pack 84 Combines Christmas Party, Committee Meeting

Broadmoor Cub Pack 84 held their combined pack meeting and Christmas party at Garden Village school multi-purpose room last Thursday.

New bobcats Steve Bartlemez and Wayne Podesta were welcomed into the pack.

Awards went to the following Cubs: Jim Tobin, Bill Irvine, Greg Clark, Jack Riggs, Andrew Aiello, Robert Bechtold, Ronald Johnson, Jim Orlich, Ronald Stern, Bruce Spry, Douglas Shanoian, John Bartlemez, David Mahoney, Philip Garcia, Mike Garner, John Travinsky, John Volke, Richard Anderson, James Brown and Kurt Neff.

Glen Miskal, John Somers, Barlow Mize and Peter Tobin received the top Cub award, the Webeloe, and were welcomed into the Scout troop. Christmas carols were led by Col Irvine. Santa Claus presented each boy with a gift, after which refreshments were served by the committeemen's wives.

Under plans for the new year, a bottle drive was set for January 7. Outgoing Cubmaster Bud Cowan announced the following new committeemen for the coming year:

Warren Volke, Cubmaster; Tony Contreras, Randy Hix, assistant Cubmasters; Amos Bechtold, committee chairman; Harry Stern, secretary; John Travinsky, treasurer; John Mahoney, pack records; George Landess, recreation chairman; Bud Cowan, parent contact; Randy Hix, Den Rueter, publicity.

Postpone Druids Whist

The whist party scheduled for December 28 by the Cypress Circle No. 14, UOAD Druids of Colma, has been postponed until January 25.

DRUID LADIES TO HOLD WHIST ON WEDNESDAY

Hillcrest Circle, No. 143, Druids, will hold a whist game at Masonic hall, 17 Hillcrest drive, on Wednesday at 8:30 p.m.

In charge of the event are Mesdames Clara Poket, Grace Hill and Ada Jatrumski. Cost per game is 35 cents and the public is invited.

SACRED MUSIC PROGRAM SUNDAY FOR BAPTISTS

The adult choir of the Westlake Community Baptist church, Elmwood and Southgate streets, Daly City, will present another outstanding Christmas sacred musical program during the morning worship hour next Sunday, according to the Rev. Roy Milam, pastor.

Prof. Caleb Lundquist, minister of music, will direct the choir, assisted by several well known bay area vocalists. The children's choir, under direction of Eleanor Spitzer, and Lois Lithgow, piano accompanist, will share in the presentation of the Christmas musical program.

A watch night service New Year's eve beginning at 8 p.m. will include many interesting features such as games, refreshments, sound film, and devotional led by Deacon Lowell Pierson, the pastor said. The entire church will be in prayer as the old year goes out and the new year comes in.

VEHICLE MILES

The 72 million licensed drivers of cars, trucks, and buses in the United States surpassed in 1954, for the third year in succession, a half trillion vehicle miles, according to the National Automobile Club. With an average of some 7,800 miles per driver, the total was 561 billion miles.

Bethel Church Will Observe Yule Festival

The Festival of Christmas will be observed at Bethel Lutheran church, Alemany boulevard and Huron avenue, with a Christmas Eve Vesper Service on December 24 at 7:30 o'clock. Iru Price, organist, will present Christmas music on the organ and chimes beginning at 7:15 o'clock. General theme of the service is: "Prophecy and Fulfillment."

In the course of the service, the four "Prophecy Lights" placed in the "Advent Wreath" will be lighted. The number four refers to the four weeks of the Advent Season, the four thousand years of waiting for the promised Savior, and the four Gospels in which the fulfillment of the Lord's coming is recorded.

A Young People's chorus, composed of members of the Walther League, will render several Christmas selections.

A brief meditation will be given by the Rev. Herbert P. Schroeder.

The Christmas Day Festival services will be held at 9 and 10:45 a.m., and Sunday school hour will be omitted so children will attend one of the services with their parents. The junior choir will sing in the second service, under the direction of Miss G. Schultz. The pastor will preach on the subject: "God Sent His Son."

District Leader To Preach Yule Service At Nazarene Church

Due to the recent resignation of Reverend Lowell W. Coey, because of ill health, the pulpit at the Broadmoor Church of the Nazarene, Edgeworth and Washington streets, will be filled this Christmas Sunday by District Superintendent Reverend George Coulter of Santa Cruz. He will preach at the 11 a.m. service.

On successive Sundays the vacancy will be filled by Reverend Huddleson of Oakland, former U. S. Army chaplain, until such time as a resident pastor is called.

This Sunday, during the Sunday school hour, starting at 9:45 a.m., a Christmas film will be shown entitled "The Birth of Christ."

The public is invited to attend all services:

Sunday school at 9:45 a.m., morning worship at 11 a.m., young people's service at 6:45 p.m., evening service at 7:30 p.m. and prayer meeting at 7:30 p.m. every Wednesday.

MORGAN, WAYNE SEEK ASSEMBLY POSITION

Two candidates have thrown their hat in the ring for the 1956 race for a seat in the 25th Assembly district.

They are; Mayor L. B. (Les) Morgan of Burlingame, and Hugh A. Wayne, San Mateo and Burlingame publicist.

They will seek the endorsement of a 62-member Republican fact-finding committee for the assembly seat formerly held by Daniel J. Creedon.

Morgan, now completing a term as mayor of Burlingame, has served four years on the city council and was a candidate last year for county supervisor.

Wayne is former president of San Mateo Chamber of Commerce and is now associated with George McQueen in a Burlingame advertising agency.

FIVE SERVICES SET FOR HOLIDAY WEEK AT LUTHERAN CHURCH

Five services have been scheduled for the Christmas holiday weekend at the Lutheran Church of Our Savior, which is located at Junipero Serra boulevard and Garfield street in San Francisco.

On Saturday, Christmas Eve, the Rev. Luther M. Schliesser Jr., pastor, will preach on "The Light of the World" at both candlelight worships, 8 and 11 p.m. On Christmas day he will speak on "Lasting Christmas Gifts" at both morning services, 8:30 and 10:45 o'clock. He will also conduct the evening devotion at 7:30 o'clock. Sunday school classes meet at 9:30 a.m. and are open to all ages.

Membership Doubled At Savior Lutheran

Our Savior Lutheran church recently welcomed its one-hundreth new member for 1955. Among new members are: Mrs. Martin W. Olsen, 85 Lake Forest, Mrs. William D. Taylor, 63 W. Cavour, Mr. Oscar Tonick, 112 Franklin, all of Daly City; and Mr. and Mrs. Leslie C. Speed, 917 Newman, South San Francisco. The church has now almost doubled its membership within one year.

'Savior Is Born' Film Slated Sunday At Vista Grande

All Sunday school classes at the 101 Vista Grande Avenue Christian church will see the colored motion picture, "A Savior is Born," at the 9:30 o'clock hour Sunday morning. Charles Baldinger is in charge of the showing of the picture. Oliver de Graaf is the superintendent.

Dr. Howard Patrick McConnell, minister, will deliver his Christmas Sermon, "Let Us Go Even Unto Bethlehem." The choir, under direction of Mrs. Bernard Green, will present Christmas music.

Events for the week include Boys Scouts on Monday night, the officers meeting Tuesday night, Bible Study, Wednesday night, and the Thursday evening dinner program at 6:30 o'clock.

A whole church school of Missions will furnish the base of the Thursday evening dinner programs during January. These will be under the direction of the Women's Christian Fellowship, Mrs. Bernard Green directing the programs.

Thieves Escape With Christmas Tree Here

Spirit of Christmas was betrayed Tuesday evening when unknown person or persons stole a five-foot silver tip tree from the front porch of Mrs. Eugene Ghilarducci. 136 Bruno avenue.

Police said that Mrs. Ghilarducci had just bought the tree that day. Theft of the $7.50 tree was discovered at 7 p.m.

Crockerites Report

5th and 6th Grade - Mrs. M. Clarke
Reported by Carol Sciaroni

Our class made earrings for our Mothers for Christmas. We purchased round and square discs and put enamel on them and then baked them in the kiln. We also made tiles and ashtrays for our parents.

Our class bought a Christmas tree out of the money we saved. We also made ornaments to decorate the tree.

Merry Christmas to everyone from Mrs. Clarke's class.

5th Grade - Miss G. Kearney

The children of the 5th grade had fun making Christmas decorations for the windows and Christmas tree.

We enjoyed performing for our parents on December 15th. We had a play called Night Before Christmas, and the entire student body had a part in it. There was singing, dancing, and reciting. Even Santa Claus came to visit us.

We all made lovely Christmas cards to give to our parents.

Merry Christmas to you and a Happy New Year from Crocker School.

Police Arrest DC Boy On Charge Of Having Concealed Weapon

A 17-year-old Daly City boy was transferred to Hillcrest Juvenile home Saturday night after he was caught brandishing a gun in front of the War Memorial center on Mission street.

Police were called by Frank Ingersoll, recreation department official, who had spotted the weapon. Upon arrival, officers found the youth showing the gun to a group of teen-agers.

One shot had been fired, and officers said that the boy admitted to firing the gun in the basement of his home.

The youth was charged with carrying a concealed weapon without a license.

Cops Oblige Statement Of 'Come And Get Me'

A local cabdriver, who told police to "come and get me" early Saturday morning was quickly obliged.

Police said they received a complaint from a Mission street coffee shop at 12:45 a.m. and upon arrival, found Aaron Preston Betsy, 28, 142 Peoria street, in front of the establishment.

Officers said that Betsy told them to "come and get him" when police began questioning him.

They did, and Betsy was booked on a drunk charge at the city jail. He was released on $10 cash bail and is scheduled to appear in municipal court on Tuesday.

Dennis New Chairman Of Sanitation Board

Edward J. Dennis was named Monday as chairman of the North San Mateo County Sanitation district board of directors.

He succeeds Thomas Callan Sr. of Colma, who will remain on the board as a director.

Director Sanford Vickers was re-elected secretary of the board.

BERNICE LEWIS GETS 9-YEAR PRISON TERM

Prison term of Bernice Lewis, 53-year-old local waitress who pleaded guilty last April to a charge of selling heroin, has been set at nine years by the board of trustees of the state institution for women at Corona.

Certification of the board's action was filed last week with County Clerk John Bruning. The waitress held prior convictions of three felonies and 14 misdemeanors, mostly involving narcotics.

Councilman's Daughter Struck Down By Jitney

Jerilyn Vickers, 13-year-old daughter of Councilman and Mrs. Sanford Vickers, suffered severe cuts and bruises Thursday evening when she was struck down by a jitney on Hillside boulevard. She was hospitalized at Junipero Serra hospital until Tuesday afternoon.

Driver of the jitney, Theodore S. Weeden, 37, 45 Alexander avenue, was cited for violating the pedestrian right of way.

Police said the accident occurred at 5:10 p.m. while Jerilyn was in the crosswalk at Hillside and Bismark. After she was struck by the jitney, Weeden drove her home, and her mother rushed her to the hospital.

DON'T BABY IT

It's not good to "baby" a new car when it is being broken in. Most automobile manufacturers recommend that intermittent fast driving is good for a new engine so long as you avoid sustained high speeds, reports the California State Automobile Association. If you have a new car, check with the service department of your dealer on the technique of breaking it in. It will pay off in better engine performance and longer engine life.

EMERGENCY AID

Half of all motorists' calls for emergency road service are for tire and battery trouble, says the California State Automobile Association.

Local Toastmasters Postpone Meeting Until After Holidays

Because of the holidays, next regular meeting of the Daly City Toastmasters has been postponed to January 5.

On that evening, toastmaster will be Dr. Louis Minkin. Speakers are Sanford Vickers, Frank Monte, Mickey De Bernardi, Jack Kendree, John Bodmer, Frank Blum and Louis Rief.

Others on the roster include: Vincent Murphy, table topics; John Putkey, evaluator; Art Colvin, wizard; and Owen English, timekeeper.

At last Thursday's meeting Vickers was unanimously voted in as a regular member of the club, bringing the roster to 22 active members. Eight openings for regular members are still available, while 20 associate memberships remain to be filled.

Book Local Truckdriver On Drunk Charge

Ralph Ciarlanti, 40, truckdriver of 772 Templeton avenue, was booked on a drunk charge early Sunday morning by local police. He has since been released on $10 bail and is scheduled to appear in municipal court on Tuesday.

Officers said they booked Ciarlanti on his own request after they were called to quell an alleged street fight.

Obituaries

Jean Zipse

Mrs. Jean Zipse, 60, died Thursday at her home, 286 Acton street, after a brief illness. A native of Scotland, she was a member of Bald Eagle council No. 77, D. of P., and Past Pocohontas and Powhattan association.

She is survived by her husband, August G. Zipse; a son, August Zipse, Jr.; a daughter, Mrs. Richard Bartollotti, and five grandchildren, Richard and Michael Bartolotti and Ronald, Thomas and Mark Zipse.

Funeral services were held Saturday from F. Suhr chapel, San Francisco. Requiem High Mass was celebrated at Our Lady of Perpetual Help church and interment was at Holy Cross cemetery. Rosary was recited Friday night.

Man And Wife Injured In Intersection Mishap

A local man and wife were treated at Junipero Serra hospital Thursday for minor injuries after they were involved in an auto collision at the Lake Merced and Alemany boulevards intersection.

Injured were Shelley Smith, 28, 254 Abbot street, apartment two, and his wife, Lorraine.

Police said the accident occurred when an auto driven by Russell E. Thompson, 31, mechanic of 575 A 43rd avenue, San Francisco, attempted to turn right onto Lake Merced boulevard and collided with the Smith car.

Thompson was cited for making an improper turn.

CITE LOCAL MAN IN KNOWLES ACCIDENT

A 48-year-old Daly City man was cited for driving with faulty brakes after his car plowed into a second vehicle on Knowles avenue near Mission street Saturday afternoon.

Police said a car driven by Alfred R. Zeller, 48, 174 Evergreen street, slammed into the rear end of another auto while Zeller was attempting to park.

Owner of the second vehicle was Anthony B. Hernandez, laborer of 336 Railroad avenue, Colma. Hernandez' eight-year-old daughter, Irene, suffered cuts and bruises when she was thrown against the windshield. She was treated at Junipero Serra hospital.

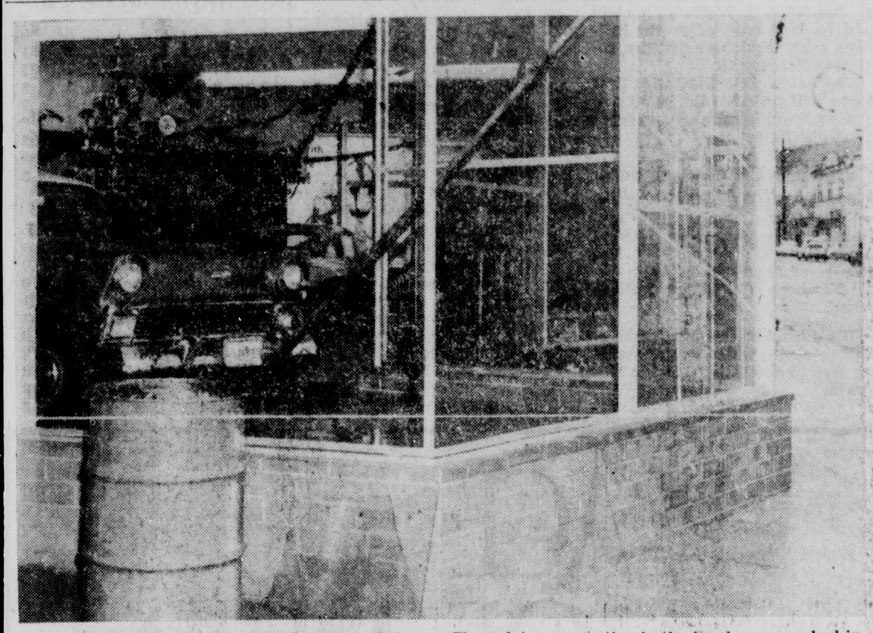
A FENCE on Hillside boulevard looks more like a length of railroad track after gale which lashed Daly City and the Bay Area early this week. Buildings, fences and signboards throughout the city were levelled by the storm winds, which reached velocities of up to 75 miles per hour in Daly City. Damage was estimated in the thousands of dollars. THE RECORD photo



TREMENDOUS FORCE of 75 mile an hour gales, which tore through Daly City Sunday and Monday, shatter huge plate glass windows in several local business establishments. Shown here is Gateway Chevrolet company. Pane at the left is completely out, while other two portions of the plate glass on the right are taped to prevent further shattering. Total destruction in the local area reached into thousands of dollars, it is estimated by authorities.

THE RECORD photo

By a cheery fireside . . . Santa ends his night—

A moment's pause to rest a while, ere he takes his flight!

He has been a busy elf all this passing year

Making Christmas, bright and gay; brimful of good cheer!

Merry, Merry Christmas.

The Record and Staff

"DEAR SANTA CLAUS"

Kids' Letters To North Pole Bring Response

Vincent P. Murphy, Daly City postmaster, has been busy these recent weeks answering letters for "his very good friend Santa Claus," who right now is preparing at the North Pole for his annual visit to good little boys and girls.

Letters written by these boys and girls to Santa Claus have been forwarded, Murphy explains. As an added service, each letter which includes a return address has been answered by the local post office.

Typical of Murphy's replies is the following:

"Dear Billy:

"I have received your very nice letter to my good friend Santa Claus, and have forwarded it to him at the North Pole as you requested.

"I know that you have been a very good boy, because the Mailman who delivers your home, who is also a good friend of Santa's, has told me. I notice that you allowed your daddy to cut your hair, and you did not cry. Santa knows that any mommy and daddy like a boy who does not cry and also keeps his room clean. As for the night you didn't eat your dinner very well, I am sure that our good friend Santa will overlook it just this once, but I know you will do better.

"Billy, your list of toys will be at the beginning of Santa's list, and I know that he will be down to see you at Christmas.

"Wishing you and your family a very Happy Christmas."

Sent To Billy Zemanek

This particular letter was sent to Billy Zemanek of 151 Ashland drive.

Billy wrote: "Santa Claus, I was a very good boy because I let my daddy cut my hair tonight and I didn't cry once . . . and I help my mommy keep my room nice and clean . . . Also, Santa Claus, I eat my dinner every night with the exception of maybe once."

The white-bearded old gentleman is asked to bring Billy the following gifts: dinky toy, tractor, motorcycle, boxing gloves, train (streamliner), Robin Hood suit and bow and arrow, slinky toy that rolls downs the stairs and Bobo the clown.

Billy's letter was obviously dictated to his mother, but many of the notes are written by the children themselves. Such a letter came from Linda S. of 736 Stewart avenue, who writes:

"Dear Santa Claus,

"I want a Tiny Tears. I want a bathinette. I want a cake set. I want a soup set. Sandy want a monkey and a bear and table set and a dishes."

Unselfish Requests

Many of the letters include requests for other persons than the writer.

Skipper Crudo writes, "My little sister, Judy Crudo, wants a battery ice box, an ele. stove, and a battery washing machine, a painting and a sowing set. Santa please bring these five little things my sister wants. But I just want some close like a purple McGregor, a couple pairs of paints, some shirts and shoes." It is signed "Yours Forever."

Another handwritten letter comes from John, who, in a direct fashion, asks for "some toy soldiers and melody bells."

"I Will Be Good"

Still another handwritten note reads: "To Santa Claus. . . I want a piano and I will be good, and Santa Claus, I want a nurse-set and Santa Claus, I live at 608 Southgate avenue . . . From Nancy Salvemini."

Terrie Trevisani, 290 Third avenue, wrote: "Dear Santa . . . I have been a good girl this year Santa so I would like doll bed for my ginny, clothes for ginny, horse with cowboy, real radio, tea set, games and clothes for myself."

Question of the cold North Pole temperature was raised by Maureen Milroy, 253 Oliver street.

Maureen's letter read: "Please bring me a printing press. You bring me everything I want every year so please bring me what I want this year. I hope it is not too cold in the north pole. Today, Dec. 16, we had a play at school now we are very tired. I hope you have a blessed Merry Christmas."

Include Elves, Happy Holly

Phyllis, Kevin and Colleen of 840 87th street, Broadmoor, wished Santa a Merry Christmas also, but included the elves and Happy Holly in their wish.

Requests by Phyllis were: "a big bride walking doll, clothes for the doll, refrigerator, stove, washing machine, bassinette and table set."

Kevin asked for a "bow and arrow set, signals for my train, gun holster, camera, ball, waste paper basket, world globe and motorcycle."

Phyllis and Kevin combined their efforts to make a request for their little sister, Colleen, who they hope will receive a sleepy doll, slippers, bathrobe, some toys for her play pen, some plastic toys with bells inside and a rocking horse.

12 Shirts For Father

Lorraine Eddy of 193 Santa Barbara avenue showed the true Christmas spirit in her letter, which read: "Please bring my father 12 shirts. Please bring my mother a bottle of perfume."

Letter from Jimmy Wilson, 80 Forest Grove drive, states: "I would like for Xmas a Jack in the box. And a gun. I would like it. And a cowboy horse. With some springs. And a bike. And a ball. And a blackboard. And a pleasure car. It has a handle and you turn it and it says car go car go come in hold up. That is really not what it says. But says something. I guess that is all."

Andy Wilson, 515 C street, Colma, asked six things for Christmas, which were lincoln logs, erector set, jr. planetarium, radio station, superior star press and a golden trumpet.

Sends Picture

A picture entitled "Santa in my House" was sent by Claudia Kruse of 144 West Moltke street. Claudia requested "a blackboard and a little hat for my Bozo and an Indian dress for my doll and a television and a puppet. I would like the puppet to be a Peter Pan puppet and I would like a bicycle with little wheels in the back."

Only one request was made by Gary Nickolisen, 499 A Westlake avenue, who asked Santa for a bicycle.

Typical of this modern age was a letter from Jimmy Livingston, 164 Station avenue, who wrote: "I would like to have Robert the robot and an electronic radio station. It actually sends and receives up to ½ mile." Postscript was that sister Linda Lou would like new records and an ink pen.

"Your Friend"

Signed "your friend" was a note from Tommy Baden, 310 Hillside boulevard, who asks: "I want an archery set. I want a stamp album. I want a tool chest. I want one of those matel toy burp guns."

"I love you," was the postscript on a letter from Susan Hink, 752 Maddux drive, Broadmoor. Susan said, "I would like a tratve (travelling) night case. And a vanity set for Christmes. Would you get somthing for my parents and my brother."

A Christmas card signed Shep was included with a request from George Holman, 99 Belmont drive, who asked Santa for a transformer, burp-gun, magic kit, English racer and swim-fins.

Mike, Barbara and Chuck all asked for a magic cartoon set in a note to Santa marked "rush."

"Me And Tabby"

Letter which must have brought a big smile to Santa's face was from Linda, who wrote: "Will you bring me and Tabby some toys and presents. I would like a piano, a dolly to and a roc ker, some toys for me. Tabby wants some toys to. I am a good girl and ate all my supper. Tabby is a good cat."

Still another expression of love was sent Santa by Jan, who requested a Terri-Lee doll and a lot of clothes. "I'd like a trunk for the clothes, too, and a crib like Debbie's please," the letter stated.

Eileen asked for a stove and a washing machine and a dolly and "other things," while Bobbi claimed to have been a good girl all year and asked for a buggy, highchair, carpet sweeper, accordion and telephone.

"You Are Verry Besy"

A very elaborate colored picture was sent Santa by Patty of 370 Willits street, who declared: "No you are verry besy to read to mush letter's but you are wonderful but I am to . . . you want Christman I want Melody Bells and a Tinkerbell Doll and a Mufies Doll furniture and a junp romp."

Joey, who admits he sometimes wasn't a good boy, asked for a train, rubber Santa Claus, bow and arrow, money telephone, burp gun, Davy Crockett rifle and caps, gold gun, Mickey Mouse set, Swiss bells and an Indian outfit.

Storm Brings Floods, Wreckage To D. C. Area

(Continued from Page 1)

leakage in two Westlake classrooms.

Only fatalities of the storm were two Pinto ponies, valued at $2500 by their owner, W. H. McCann. The animals, which were in a field at McCann's Colma ranch, were killed when the storm felled a power pole.

Traffic tie-up on the top of the hill resulted when a heavy signal crashed to the street thereby turning off all signals in the Mission street top of the hill area. The signals were repaired in about two hours and no accidents were reported.

Many coastside residences were without lights from Sunday until Wednesday, according to Joe Rohl, manager of the Daly City branch, Pacific Gas and Electric company.

In Daly City, Rohl said that there were only a few isolated cases of residences without electricity. Most of these, he stated, were due to fallen wires or poles which were soon repaired.

Westlake Lights Out

Street lights in Westlake, out since the storm, were not repaired until Wednesday. Rohl explained that he felt it more important for his men to first repair lines providing electricity to homes.

Huge plate glass windows were destroyed at Carl Haas Buick company, Gateway Chevrolet, and Dolan's Wrecking comapny. Local police and fire departments also reported that many private citizens reported windows blown out.

After working on their rooftop Christmas display for many weeks, the Daly City fire department watched it hurled to the ground, bit by bit. Fire Chief Elmer Kennedy declared that the winds reached such a high velocity that Christmas lights were torn right from their sockets.

No Time For Record

"We were so busy we couldn't even keep a record," Chief Kennedy commented today. Chores included placing tarps on damaged roofs, cleaning up broken glass, clearing away signs, one pole fire and two cases of fire alarm trouble.

Phones at the Daly City police department jangled throughout the storm with complaints of broken windows, fallen power lines, television aerials, fences, signs and trees.

Officers said they even received calls from residents at 740 North Mayfair avenue and 435 Hillside boulevard that garbage cans had blown away.

Broadmoor Police Chief Ray Savage reported that worst damage was to the 600 block of Larchmont where sands from Westmoor High school site poured down into the back yards and garages of the residents. Savage estimated that about 500 trees in Broadmoor were felled by the storm.

Only broken window in Broadmoor was at the Broadmoor Bike shop, the chief said.

'What Do They Learn' To Continue January 6

"What Do They Learn," THE RECORD feature on classroom instruction in Jefferson Elementary district schools will be continued in the January 12 issue.

Interruption of the series was deemed necessary by school administrators who stated that last Friday's Christmas parties would interfere with a true picture of a normal classroom day. THE RECORD reporter had planned on visiting Colma school on that date but will postpone the visit until January 6.

SOCIAL CALENDAR

DECEMBER 28—Hillcrest Circle No. 143, Druids, whist game at Masonic hall, 17 Hillcrest drive, 8:30 p.m.

DECEMBER 30—Golden Gate Grandmother's club No. 266 benefit game at Valencia center, 260 Valencia street, 8:30 p.m.

Hilltop Lodge Losses License Plea

(Continued from Page 1)

code as basis for revocation is unreasonable.

Specifically the section states: "The board shall revoke a license if a retail licensee has knowingly permitted the illegal sale of narcotics upon his licensed premises. Successive sales over any continuous period of time shall be deemed evidence of such permission."

The Hilltop, although still holding their liquor license under a stay of execution, has been closed for several months. Reason given for the closing is that Daly City council has refused to grant the tavern a dance permit pending conclusion of the suit in court.

Charges against the local bar were brought by the Board of Equalization on September 21, 1954, after investigation by the BOE and other law enforcement agencies.

Daly City Couple's Holiday Celebration Stopped By Death

Holiday celebration ended in tragedy for Martin F. Ryan, 148 East Vista avenue, and his wife, Donna, who plunged to their deaths off Myer grade in Eldorado county Friday morning.

Bodies of Ryan, 33, and his wife, 18, were found by a state highway employee after the Ryan car had gone off the road cast of Echo Summit on the way to Lake Tahoe.

The couple, who had lived here with Ryan's sister, Mrs. Wanda Potter, since November 7, left Thursday night to visit with Mrs. Ryan's parents in Yakima, Washington. Ryan, a meat boner in South San Francisco, had planned his vacation to coincide with the Christmas holidays.

Besides his sister, Ryan also leaves a brother William, also of Daly City. Funeral arrangements are pending at the Driscoll mortuary in San Francisco.

Jeff Varsity Suffers Fifth Straight Loss, 30s Drop 2nd To Links, Hold 3-2 Mark

If Jefferson High school Coach Mike Orlich is "laying behind a log" in his practice basketball games, as some PAL sports observers blackly accuse, he's doing a very good job of making the subterfuge realistic.

The Indian varsity suffered their fifth straight practice loss Tuesday at the hands of Lincoln of San Francisco, 49-48, after leading practically throughout the contest. It was the second loss this season to the Links, but comparison of scores in the games indicate the Jeffs are at least improving. First time out they were never in the running as they succumbed, 57-39.

Outcome of the game was determined in favor of Lincoln in the last second, when Jeff guard Bill Curtis missed on two free throw chances and the buzzer sounded as the second charity toss bounded harmlessly off the boards.

Hand Them Victory

The Indians inability at the foul line, and their over agressiveness combined to virtually hand Lincoln the victory. Larry Pottenger fouled out in the second period, as did Ray Schultz, and the Indian attack bogged down with the two regulars out.

Out of 25 chances, the Indians made only 12 free throws, although even this was considerably better than their percentage Friday against Sonora.

The Jeffs held a 22-18 halftime advantage over the Links, but the tide was indicated in the second half, when the SF team clinched it at 39-39 at the third-quarter's end. From there on out the Indians couldn't coordinate an offensive attack.

Curtis Tops Scoring

Curtis led Jeff scoring with 9 points, while Pottenger had 8, Darrell Hutchenson, Bob Comstock and Jim Honeywell, 7, Tom Cloutier, 5, Schultz, 4, and Delmar Scott, 1.

The Indian 30s were way off on their shooting as they dropped a 43-33 contest to Lincoln, only team to beat the Jeff lightweights this season. The loss left Coach Tony Giammona's papooses with a 3-2 mark.

The score was tied 8 all at the first quarter, but the Links tore to a 22-12 half-time lead, 34-22 at the third quarter.

Gary Ryan and George Rocchi hit 7 apiece to top Jeff scoring, followed by Stan Weld and Al Dye, 6 each, Barry Haanan, 5, Dennis Marks, 2.

The local varsity trailed all the way Friday in losing, 53-43, to a good Sonoran five.

Miss Pottenger

The Cowboys took over, 14-10, at the quarter, but a Jeff rally paced by Pottenger closed the margin to 21-19 at half-time.

Pottenger fouled out in the opening minutes of the second half, and shortly thereafter Comstock and Schultz went out via the penalty route and, although the Indians hung on for only a 36-34 third-quarter deficit, the Sonorans had it their own way in the final period.

Even more so than in the Lincoln game, inaccuracy on the charity tosses and excess fouls hurt the Daly City quintet. Pottenger had been rolling in high gear, with 10 points chalked up in little more than 24 minutes of play, when he was ejected for too many fouls.

The Indians had 27 personal fouls called against them, and the Sonorans secured the game by tanking a phenomenal 25 of them. By contrast, the Indians had 16 chances for the one-pointers and dunked only four of them.

Pottenger's 10 points was best the Jeffs could do. Honeywell garnered 9, Curtis, 8, Ray Vuillemainroy, 7, Hutchenson, 4, Schultz and Cloutier, 2 apiece, and Scott, 1.

30s Win Easily

The local 30s won in easy style, 47-23, with Al Dye the offensive leader, netting 14. The Indians held a 23-14 half-time margin over Sonora.

Gary Ryan was runner-up in scoring with 9, Rocchi, 8, Haanan, 6, Marks and Puzzy Firth, 4, and Dave Simmons, 2.

Orlich will shuffle around his varsity line-up next week for contests which include Mission Monday at CCSF, Washington here Tuesday, and CCSF Jayvees there Friday. The Indians were scheduled to meet Polytechnic last night.

Probable starters for next week's practice engagements will be Cloutier at center, Hutchenson, Pottenger, forwards, Curtis and Honeywell, guards. The latter pair win Orlich's nod for their improved backboard work, while lanky Cloutier has been moving upward in Orlich's estimation since he first tried his hand at the game after football season closed. Cloutier replaces Schultz at the pivot post, while Honeywell has temporarily moved Vuillemainroy aside.

Golf Tips

Professional, Treasure Island Driving Range

THOSE LINE DRIVE CHIP SHOTS

Doesn't this sound familiar? Let's see now. I was short in two, over in three, back over in four, on in five and two putts. I guess I had a seven, darn it.

Hard to believe that you can be so near in two shots only to have your game collapse completely within ten or fifteen yards of the hole.

FAULT: The two most common causes for those line drive chip shots are moving your head before the shot has been executed, and too much hinge action in the wrists. You cannot help the shot by watching where it goes. Learn to watch the clubhead strike the ball. This above all will help you to keep your head still over the ball.

Using a lot of wrist action in executing short shots is just asking for a lot of trouble. This can result in not only poor contact but in poor direction as well.

CORRECTION: Concentrate on hitting the ball with firm hands and arms. Practice hitting down and through the ball. Keep the weight mainly on the left side all through the swing and keep your eyes down until you have finished the swing.

REMEMBER: Only a very small amount of pivot is necessary for short shots. Too many pivot causes a certain amount of sway over the ball, which in many cases is fatal to a good chip shot. Firm hands, a firm swing and a steady head make for a satisfactory execution of a delicate shot.

Next week:
The correct selection of clubs.

SIZZLING PEDRO CLUB TAKES OVER IN DC BOWLING

San Pedro Lunch smashed the pins for three straight wins in Daly City-Colma Bowling league action Tuesday at Brentwood to technically move into first place, as Westlake Homes and Vince & Fred had their match postponed.

For the red hot San Pedro keglers, it was their 11th victory in 12 starts and gave them a 29-16 mark, which tops Westlake, 28-14, and V & F, 26-16.

The last two clubs will play their make-up game January 3 and Westlake needs only one win to share first with San Pedro, while V & F needs three.

Paul's Flowers added Yuletide spirit to the evening's competition as they donated four potted poinsettias which were presented to the four bowlers turning in top series. They were: Frank Lister, 556, George Curry, 531, C. Knapp, 531, and Tony Barsuglia, 536.

No games, with the exception of the V & F-Westlake match, will be held until after the holidays, with regular competition resuming January 10.

On that night a battle for first place will undoubtedly be waged, as San Pedro is scheduled to meet Westlake Homes.

Chamber Of Commerce Honors Jim Honeywell

Daly City Chamber of Commerce last week honored Jefferson High school gridder Jim Honeywell for his selection to the All-Northern California football team.

The Chamber presented Honeywell a trophy, which was accepted for him by football coach Joe McGrath.

Three Clubs Share Lead In Rec Cage

Laguna Salada moved into a tie for first in A division of the Daly City Invitational Basketball league Saturday at community center, handing OLPH a 30-29 loss.

Hank Caldwell poured through 13 points to lead the Coastsiders into a share of first place. OLPH's Bill Whalen hit 14 markers.

The loss knocked OLPH into second, while Laguna Salada shares first with St. Gabriel's Eagles, each with three wins, no defeats. St. Gabriel's Gulls downed Brisbane, 39-26. Six buckets by Reade and four by Grnich enabled the Gulls to pull away in the third period. Reade topped scoring with 24 points, followed by Brisbane's Bobby With, 17.

Eagles Smother Hawks

St. Gabriel's Eagles retained their undefeated mark with a 57-39 triumph over Broadmoor Hawks. The Eagles' Chase won high point honors with 18.

St. Stephen's found the win column with a 52-36 victory over Holy Angels. Altorfer led the winners with 20, followed by Holy Angels' Percita, who hit 12.

Led by smooth ball handling and aggressive backboard work of Jim Calcagno, St. Michael's five downed Lincoln, 50-26. Calcagno, who garnered 34 digits thep revious week, picked up 31 points on 14 field goals, three charity tosses.

Class B division found Holy Angels holding on to a piece of first with Laguna Salada and Colma. Holy Angels clobbered OLPH, 39-26, as Lemori potted 11 points. The three league leaders are undefeated in three outings.

Solada Romps

The Salada five larrupped Broadmoor Dodgers, 45-16, as John Kelley netted 17 points, followed by Walter Prouty's 13.

Colma had it easy in humiliating OLPH No. 2, 53-6, as they held the church five to one field goal. Sonny Stoller's 14 points was tops for Colma.

The tourney champion St. Gabriel's Greyhounds got back on the win trail by thumping Brisbane, 44-16. Mahoney meshed 12 to lead the victors, while Brisbane's Radoff got 11.

The St. Gabriel's Raiders smashed Broadmoor Rebels, 26-9. Jim Sousa led the losers with six points, while Giovanoni and Dower of the Raiders got seven apiece.

Action in the local recreation league will come to a halt until after the Christmas holidays, and will resume January 7.

Basketball 'Rained Out' At High School Gym

Jefferson High school's basket ball teams have found a new home—the Daly City community center.

Tuesday's contest was held at the local recreation building, after the cagers were "rained out" of their high school gymnasium.

The weekend storm knocked the electricity out of the high school arena and damage to the water system resulted in dry showers.

The basketball teams were also scheduled to hold their contest yesterday with Polytechnic at the community center building. The high school gym is expected to be ready for use next week.

OLPH, Sharp Park In County Cage Tourney

Two north county representatives, Sharp Park and OLPH, are entered in the San Mateo county annual eighth grade basketball tournament at community park gym in Redwood City.

Sharp Park was scheduled to meet St. Dunstan Monday, and if victorious, will return to action tomorrow (Thursday) at 2 p.m. against winner of the Ravenswood-Mt. Carmel tilt.

OLPH was also scheduled to see action Monday, and will meet winner of the Goodwin-Parkside Panthers contest tomorrow.

Quarterfinals will be held next Tuesday, semi-finals Wednesday and finals Thursday.

LUTHERAN HOUR TO EXPAND COVERAGE FOR YULE SEASON

Elmer H. Ohlendorf, 95 San Joaquin avenue, Nevada Lutheran Hour chairman, reports that the Lutheran Hour, the world's largest religious broadcast, will expand its coverage for the Christmas Season.

On the Mutual Broadcasting System and on 700 other stations, Dr. Oswald Hoffman will deliver a message on "The Paradox of Christmas" and will interview Mrs. America on Christmas in a Christian home. This broadcast may be heard on Christmas Day on Station KFRC at 5:30 p.m.

On its 40-hour weekend MONITOR, the National Broadcasting System will use program segments on the work done by The Lutheran Hour in missionary fields. These segments will be heard during the MONITOR programming of December 24 and 25 over KNBC.

CITE MACHINIST IN CAR MISHAP WITH LOCAL BUSINESSMAN

Car of John Kimble, 54, 43 Northgate avenue, owner of Kimble's Westlake Auto service, was damaged Wednesday in an accident at South Mayfair avenue and Park Plaza drive.

Police said the collision occurred when Kimble's auto was struck from behind by a vehicle driven by Richard Bernard Dean, 21, machinist of 704 Fourth avenue, San Bruno.

Dean was cited for making a left turn without a proper arm signal, police said.

NAME WAYNE CARR TO STATE-WIDE LIBRARY ADVISORY COMMITTEE

Wayne Carr, chairman of the Daly City library commission, has been appointed to a state-wide advisory committee by Dr. P. A. Gray, chairman of the trustee section of the California Library association.

Carr is one of four persons to be named to the committee and will serve for one year.

Guest Speaker To Occupy Pulpit At Temple Meet Friday

Rabbi Bernard D. Rosenberg announced this week that Rabbi Morton Fierman, regional director of the Union of American Hebrew Congregations and director of the Camp for Living Judaism, will occupy the pulpit this Friday night at Westlake Temple, while he is guest rabbi at Temple Sholom in Burlingame. Services will commence at 8:30 p.m. and will be followed by an Oneg Shabbat (reception and social). Everyone is cordially invited to attend.

Westlake Temple Sisterhood will hold its regular meeting Tuesday night at 8 p.m. at the Temple House, 95 So. Mayfair avenue. Rabbi Rosenberg will speak on, "Behind the Headlines," with a discussion period following. This meeting follows the Chanuko dinner recently presented by Westlake Temple Sisterhood which is rapidly becoming one of the most popular groups of young women in the bay area, the Temple said.

Westlake Temple Religious school will observe a winter vacation and there will be no classes on December 25 and January 1. The school will reconvene on Sunday morning, January 8.

A "Beginner's Hebrew Class" will commence with the New Year and all parents with children in grade four or higher are urged to contact the Temple office, PL 5-9463, regarding registration. "Classes for advanced Hebrew students have been in progress for the past year and there has been excellent results as evidenced by increased enrollment and highly satisfactory performance by Bar Mitzvah students. Both boys and girls are eligible for enrollment," the Temple related.

Colma Man Gives Blood

Glen W. Gaston of Colma recently donated blood to the Peninsula blood bank, it was announced today. It was Gaston's first donation.

GAGGERO RE-ELECTED COUNTY FAIR PREXY

Anthony J. Gaggero, former Daly City mayor, was re-elected president of the board of directors of the San Mateo County Fair association at a meeting held Thursday. He will serve for the coming fiscal year, January 1, 1956 to January 1, 1957.

Re-elected to serve with Gaggero were vice-presidents Elmer A. Roberts of Burlingame and Dr. Hartzell H. Ray of Hillsborough and corporate secretary Joseph H. Cunha of Half Moon Bay.

Elected treasurer was A. H. Sagehorn, county treasurer, who has served as a member of the fair board for the past 17 years. Sagehorn has been acting treasurer for the past two months. He was appointed to this post to fill the unexpired term of Ralph C. MacArthur who died on October 19.

U.S. Navy Requests Pilot Applications

The Navy desires applications for a commission and aviation training from college graduates under 26 years of age, it was announced here today by the Navy recruiting representative.

Increased fleet activities with accent on Navy aviation has created a demand for qualified pilots. The Navy recently established a new officer candidate school at Pensacola, Fla., to train eligible men for commissions as naval officers. Men are commissioned as ensigns after four months of training and then commence flight training with full pay and allowances of a naval officer, amounting to over $400 per month.

Unlike other Navy flight training programs, these men may be married and have dependents and are permitted to bring their families to flight training school with them. After receipt of their "wings" the Navy pilots serve on active duty with the fleet for two years.

Men desiring information on this program should contact the Navy recruiting representative located at the U. S. Navy Career Guidance Center, 6705 Mission street.

Health Department Tells Safety Rules

"A safe Christmas is a Merry Christmas."

This is the theme of the special community Christmas safety program being sponsored here this month by the Department of Public Health & Welfare as a part of its year-round Child Safety program.

Dr. H. D. Chope, local health officer, warns parents throughout San Mateo county about Christmas fire hazards.

Among the precautions he suggests to prevent tragic accidents to children are:

1. Do not use lighted candles for decoration.
2. Do not place electric trains under the tree. Trees are filled with pitch and resin and are easily ignitible.
3. Make sure your tree is safe from fire. Put it in a container of water or wet sand. Discard it when the needles start to fall.
4. Throw away gift wrappings. Don't allow them to pile up near the tree.
5. Do not permit youngsters to wear paper or loosely woven costumes for parties or pageants. Childrens' costumes can be flameproofed — even with homemade solutions.
6. Avoid cotton or paper decorations on the tree.
7. Don't leave tree lights burning when no one is home or when everyone has retired for the night.
8. If needles near the lights turn brown, shift the position of the lights.

The Rose of Christmas

THE Christmas rose blooms at an unusual season, from December to March, with white, sometimes pinkly colored blooms. Because of the soft tinge of pink, the flower has been given the name Christmas rose.

Legend tells us that when the Wise Men were journeying toward Bethlehem, they came upon a young girl who was tending her sheep. The girl complained to an angel that she had no gift for the Holy Child, whereupon the entire pathway to Bethlehem was flowered with glistening white Christmas roses.

Madelon, the girl, offered the flowers, and when the fingers of Jesus touched them they became suffused with pink.

Noel Preparations Started in Norway In Middle of Year

CHRISTMAS just couldn't help being the event of events in Norway when grandmother was a girl.

Without exaggeration, preparation for Christmas actually began six months before December 24. Everything which was used—food, clothing, household furnishings—was prepared in the home. Even the leather for shoes was tanned from hides raised on the homestead.

The cloth for apparel, from the skin out, was woven on hand looms. Cobblers came to the house and made the shoes; dressmakers and tailors came. Everyone in the household had to have a new wardrobe for Christmas and, since tailors and cobblers and dressmakers could not be at all places at once, it was necessary to get an early start.

When the butchering was finished—in October or November—the suet was melted and the candles were made. The children always had a hand in making the little ones for use on the Christmas tree. And they usually made one which had three prongs which, placed at the very top of the tree, represented the three wise men.

HOPE THAT SUSTAINS THE WORLD . . . If there is anything more touching and inspiring than the sight of a little boy or girl waiting patiently for the arrival of his beloved Santa Claus, the world has yet to produce it. With boundless hope, after hanging up his stocking, he finally goes to bed, knowing as surely as he knows his own mother and father, that the Giftbringer will have been there when he awakens.

Merry Christmas! Merry Christmas!

The spirit conveyed by these words is the same in all countries, but the words themselves sometimes fall harshly on American ears.

"Merry Christmas" in French has a soft and musical sound. It is "Joyeux Noel."

In Spain the greeting is "Feliz Pascuas", and in Italy, "Buon Natale". For Sweden it is "God Jul" and Norway, "Gladig Jul".

In Germany and Holland the greeting is a tongue-twister that will stump the average America. The Germans say "Froehliche Weihnachtan" and the Dutch, "Pleizierig Kerstfeest".

But whatever the language, the spirit behind this greeting is the same wherever there are men of goodwill.

The Mystery of God's Firmament

THE "STAR" which signaled "the First Christmas" may be interpreted in many ways. In all such interpretations we must put ourselves as nearly as possible into the social and psychological frame of mind of those whom we try to understand. The astronomer knows that through the ages the word "star" has been used to indicate almost any celestial phenomenon. We still speak of "falling stars" or "shooting stars" which we know quite well are not stars at all. In more ancient times the comet was called a "hairy star" and was derived from the Latin word coma, meaning hair. The planets were the "wandering stars" as opposed to the "fixed stars", and from the Greek word for wanderer we derive our word "planets."

The Star of Bethlehem could have been any of these. It could even have been a "new star" or nova which suddenly burst forth with a many-thousand-fold increase in brilliance, due to some great stellar catastrophe. These are all explanations of what the "star" could have been. Had it been any of the above, it would have been seen by many peoples, and in literature would have been found references to the appearance of the object which attracted attention. But nowhere in the literature or in the folklore of any of the peoples noted as astute observers of celestial phenomena do these references exist.

From this we are forced to conclude the appearance of the star was a sight given only to the Wise Men to see.

THE JOY OF CHRISTMAS . . . Much of the joy of Christmas for mothers and fathers is watching the thrill children get from finding toys under the tree. These children express their joy on Christmas morning. Much of the joy for the children is the anticipation of and mystery in Santa's visit and the guessing about what the old fellow will bring.

1 B. C. and 1 A. D. Were Not a Year Apart

According to our calendar, one would naturally assume that between the year 1 B. C. and the year 1 A. D. there should be a year called zero. As a matter of fact, no such year exists, as far as historians are concerned, and the year 1 A. D. follows directly after the year 1 B. C.

A person born in 3 B. C. would not be five years old at 2 A. D., but would be four years old when one is calculating data in that period. When adding B. C. and A. D. years, it is necessary to always subtract one to compensate for the year zero omitted between 1 B. C. and 1 A. D.

Why Christmas Candles?

On Christmas Eve the Christ Child wanders all over the earth seeking deserving people—people who are kind and thoughtful of others, and people who have loving hearts. Lighted candles are placed in the windows by such people so that He may not stumble and fall. In the course of His search He visits every castle and hut, no matter how rocky and rough His path may be.

First Community Tree At Christmas Was Held In City of Cleveland

THE COMMUNITY Christmas tree idea was born in Cleveland, Ohio, in 1912. The community raised funds to defray the cost of the tree and celebrations through the sale of preferred stock in "Cleveland, the city of good will (unlimited), Incorporated under the laws of the commonwealth of good cheer." This was specified by holly-bordered certificates.

Holders of preferred stock were entitled to "dividends payable daily in the form of happy voices of robust children, the contented faces of friendly fellow citizens and the advancement of the city of good will."

Sale of stock was pushed everywhere, the most unique place being the Cleveland stock exchange where the stock was listed at the head of other securities. The sale brought $12,000, which purchased Christmas cheer for 13,000 citizens, as well as the first community Christmas for the city.

Christmas Game

Snapdragon was a favorite Christmas game in England more than 200 years ago, it is still played in modified form in England and America.

The original game called for a quantity of raisins to be deposited in a large bowl or dish. Brandy or some other spirit was poured over the fruit and ignited. The bystanders then endeavored to grasp a raisin, by plunging their hands through the flames. A carol, called "The Song of Snapdragon," accompanied the game.

God Bless Christmas

"There are many things from which I might have derived good, by which I have not profited, I dare say," returned the nephew. "Christmas among the rest. But I am sure I have always thought of Christmas time, when it has come around, as a good time; a kind, forgiving, charitable, pleasant time; and, therefore, uncle, though it had never put a scrap of gold or silver in my pocket, I say, God bless it!"—Charles Dickens, "A Christmas Carol."

Bay and Rosemary Christmas Tradition

Bay and rosemary have also been represented among our Christmas plants from time immemorial. An ancient writer says: "Rosemarie and Baies that are most faire were stuck about the houses and the churches at the time of Christmas."

According to tradition it was the bay tree, with its lance-like leaves and purple berries, that sheltered the holy family during a thunderstorm. Accordingly it was believed that lightning will never strike a bay tree.

The association of the rosemary plant with Christmas also goes back to the early childhood of our Lord, namely to the flight into Egypt to escape the wrath and jealousy of King Herod. Its branches are said to have held the little garments of the Christ-Child that were placed upon them by the Virgin Mother. Originally, its flowers were supposed to have been white, but the plant changed the color of its blossoms to lavendar so that they might bear the hue of the cloak Mary was wearing at the time.

SNOWMEN FOR YOU . . . Your local lumber dealer may have patterns for these plywood and hardboard "snowmen" which you can make yourself. If not, use this picture for a pattern and go to work.

The Prophecy

Isiah 9:6

For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful Counsellor, the mighty God, the everlasting Father, the Prince of Peace.

You Can Make a Big Christmas Candle

You can make a big, long-burning candle to fit into your Christmas decorations if you have a number of odds and ends of partly burned candles around the house. Melt them and pour into cardboard containers and remold. Use ice cream cartons, oat meal containers or others. Use plain cord for a wick. When the wax is beginning to set, tie the wick to a pencil and suspend it in the wax. Let set hard, remove carton and there is a nice candle for your table.

Christmas Gifts Are Not Always Brought by Santa

In America it is always Santa Claus, dashing from rooftop to rooftop in his sleigh, that brings Christmas gifts to the children. But it is not always Santa who brings the gifts to children in other lands.

In Holland it is St. Nicholas, dressed in bishop's robes of black, wearing a mitre and carrying the crozier. And he arrives on a white horse.

English children look for a Santa Claus who closely resembles our

Mistletoe Bestows Good Fortune

VERY few people don't know what a sprig of mistletoe means at Christmas time—especially when there's a pretty girl standing beneath it! But few people realize that this very pleasant custom has its root in age-old superstitions.

The lore of primitive days contains many references to mistletoe.

According to an ancient Norse legend, the sun god was slain by an arrow fashioned from the mistletoe plant. He was resurrected by his mother's tears, which falling upon the plant, were crystallized into pearly berries. Because of this magical healing, it was ordained that mistletoe should grow neither on heaven nor earth, but suspended between. That is the reason, runs the legend, that mistletoe is found growing on trees.

Mistletoe was of special significance to the Druids, ancient pagan priests of England, who cut it off trees with a golden knife used only for that purpose. They believed it possessed wonderful powers of healing and acted as a protection from witchcraft. During the December religious rites, it was bestowed upon individuals as a special mark of honor.

Because of its supposed salutary properties, mistletoe was often hung over the doors of primitive houses as a sign of good-will. Belief in magic has disappeared, but this custom still remains. And a kiss under the mistletoe still has beneficent effects. Try it and see for yourself!

'Hansel and Gretel' Join the Procession

The original score of "Hansel and Gretel" was composed by Englebert Humperdinck as a Christmas piece.

The musical fairy tale created a sensation.

Since Humperdinck was one of Wagner's most intimate assistants, his harmonies have been dubbed "nursery rhymes—Wagnerian style" and since fairy tales and nursery rhymes are appropriate at Christmas, "Hansel and Gretel" has joined the procession of traditional Christmas music.

Yule Tree Business Figured in Millions

CHRISTMAS TREES are a multi-million dollar business. Throughout the nation, some 15 million trees are supplied to the holiday demand. Prices range from $1 to $5, and that adds up to real money.

A Christmas tree, in the lake states, is usually a balsam or a spruce. The same is true in New England and the Appalachian section. Elsewhere in the country, virtually all kinds of evergreens are

Season's Greetings

DALY CITY CHAMBER OF COMMERCE

Christmas is a tree with bright lights and tinsel and the Star atop. It is a tumble of gifts, wrapped with pretty ribbon, beneath its green boughs. It is the light and faith in little children's eyes on Christmas morning. It is the choking feeling of joy in mother's heart as the packages are opened. It is the tear that wells in dad's eye and he tries to hide it with a grin. It is the remembrances of many other Christmases by grandmother and grandfather, undimmed by golden time.

It is the sermon of the Story of Bethlehem. The hymns of the choir, the candlelight service, the softness of children's voices, the peace and goodwill that can come into men's hearts.

Christmas is the big tall tree in school, the only tree some of the children can call their own. It is the striped candy cane.

It is the joyful music of chimes and church bells, the carols from the record shop, the spirit of the season that makes strangers friends.

It is the garland and the candle in the window, the cards on the mantel, the wreath on the door, the mistletoe hung for Sis. It is sincerity in a handshake, the wishes of glad tidings, the vocal meaning in the hello from neighbors.

Christmas is a light. A light that vanquishes darkness; the light of charity.

THE POINSETTIA has long been a popular Christmas plant but probably few people have given much thought to the fact that it does come into bloom each year only at this season.

The poinsettia is one of a group of plants known as short day plants because it will bloom only in the season of the year with short day length periods, preferably 10 hours or less. That is why it is always in bloom during the Christmas season and not during the summer. It could be prevented from blooming now by lengthening the daylight period to 15 hours by means of artifical lights.

Flower growers have learned how to bring garden chrysanthemums into bloom any month of the year by using shading cloth to shorten the days and artificial lights to lengthen the days. The chrysanthemum is also a short day plant.

How can one keep a poinsettia plant until next season? After its usefulness is over, place it in the basement or some dry place where it will not freeze. Do not water it, or at least very little, and let the soil dry up. Next May bring the plant out, cut the stem back about two thirds, wash the old soil off the roots and re-pot in new soil. From then on handle it like any other pot plant. Softwood cuttings taken in July and rooted will give you good Christmas bloom.

To wish you joy
and thank you for
your patronage!

Are you willing to forget what you have done for other people, and to remember what other people have done for you; to ignore what the world owes you, and to think what you owe the world; to put your rights in the background, and your duties in the middle distance, and your chances to do a little more than your duty in the foreground; to see that your fellow-men are just as real as you are, and try to look behind their faces to their hearts, hungry for joy; to own that probably the only good reason for your existence is not what you are going to get out of life, but what you are going to give to life; to close your book on complaints against the management of the universe, and look around you for a place where you can sow a few seeds of happiness—are you willing to do these things even for a day? Then you can keep Christmas.

O Holy Night . . .
May the light of
Christmas good
will shine among
men . . .
